Sir,

26th Jan

I have to acknowledge the receipt of your letter of the 23rd instant, enclosing an account of your expenses in going to Owen Sound to attend in suit Miller vs Plummer; and to inform that you will, in accordance with the general practice of the Department, have the goodness to forward, if possible, the hotel and other bills paid by you, more especially as a recent Order in Council requires that before travelling expenses are paid by a Department the bills for the same shall be presented.

Should you not have retained the necessary vouchers in this case, I am to request that in future you will be careful to do so with a view to their being

Yours faithfully

being
