Ottawa, 3rd January, 1914.

Sir,

Referring to your letter of the 17th November last with which you forwarded a sample of what was supposed to be ambergris, I have now to enclose herewith reports received from Messrs. Lyman, Limited, to whom the sample was sent on the recommendation of the Chief Analyst of the Department of Inland Revenue. The Department regrets that the reports of the Analysts do not give any grounds for believing that the material forwarded is ambergris.

ENC.

Your obedient servant,

Asst. Deputy and Secretary.
