Ottawa, November 22nd., 1915.

Sir,-

I beg to enclose herewith an account of the Manville Hardware Company, Limited, amounting to \$25.15 received from R. F. Macdougall, the late teacher and farm instructor of John Smith's Reserve. It would appear from Mr. Macdougall's letter, copy of which is enclosed, that the supplies were furnished for the school building and teacher's residence, on authority of Mr. J. McArthur, Ex-Indian Agent.

You should endeavour to ascertain whether supplies charged for were furnished and if so and provided they are proper charges against the Department you may certify the account and it will be paid.

Your obedient servant,

Asst. Deputy and Secretary.

C. P. Schmidt Esq.,
Indian Agent,
Duck Lake, Sask.
