MEMORANDUM FOR THE PRIME MINISTER

C157418

Atherton telephoned to me on Tuesday to say that he had been summoned urgently to Washington by Mr. Hull. I now learn that he is expected to be absent for at least a month. Mr. Hull, who has left or is about to leave for the Moscow Conference, is taking with him Dunn~~o~~, and he wished Atherton to take over Dunn~~o~~'s duties in the State Department.
