Disorderly Crowds Erect Barricades in Warsaw.

Red Flag is Everywhere—Affrays Between Police and Cossacks and the Crowds and Many Are Killed and Wounded—Strikers Stab Five Non-Strikers to Death—State of Siege at Lodz—Bombs Thrown.

Warsaw, June 27.—Disorderly crowds thronged the streets since early yesterday morning. They erected barricades at Ordowska, Krolewska and Wronia streets, on top of which they placed red flags. The police and soldiers stormed these barricades, and ten persons were wounded by bullets or bayonets. Another affray occurred at Zelazna street, where Cossacks charged the crowd and wounded three persons. In the central portion of the town a crowd attacked a patrol with revolvers, to which the patrol replied with volleys, wounding three persons and killing a boy.

Five workmen, who refused to strike, were stabbed to death by their comrades. Revolutionary proclamations have been posted on the walls, and two hundred persons have been arrested. A heavy rain fell all day, and this is believed to have prevented worse collisions. The Social Democratic party and the Jewish Bund announced that the fight against the Government must continue, but it is believed that, with the present show of military force, the situation will be controlled. Business is at a complete deadlock.

A bomb was thrown Sunday night at a carriage occupied by the chief of police, M. Pawlowski, of the Town of Cieszkow, Government of Piotrkow. The chief and several other persons were seriously wounded.

1,200 Victims at Lodz.

Lodz, June 27.—The victims of last week's outbreak total over 1,200. Thus far the bodies of 141 Jews and 218 Christians have been buried. The wounded number over 700. Some semblance of order has been restored, and the workmen are gradually returning to the factories, but the Governor-General has proclaimed a state of siege and Lieut.-Gen. Suttelworth, commander of the First Cavalry Corps, has assumed command.

Starists, Russia, June 27.—Revolutionists from Tver (Central Russia) are scattering proclamations broadcast among the peasantry, calling on them to rise. The proclamations are apparently signed by Father Gapon, but his name is believed to have been forged.

Rostov-on-Don, Russia, June 27.—The police have discovered that large quantities of arms and ammunition have been purchased here and shipped to the Caucasus.

Bomb Thrown at Police.

Chernomorsk, Russia, June 27.—A bomb was thrown into the police station here yesterday. It wounded several policemen and broke all the windows for blocks around the station.

Saratoff, Russia, June 27.—Troops have hurriedly been dispatched to three districts in this Province to suppress agrarian disturbances.

Minsk, Russia, June 27.—The peasant disturbances in this vicinity are spreading.

Mob Attack Police Station.

Kovono, Russia, June 27.—A mob of 1,000 persons surrounded and attacked the police station and the Governor's palace yesterday. All the windows were broken before the rioters were dispersed. Five policemen were wounded.

Ekaterinburg, Russia, June 27.—A semi-panic has been created here by the distribution of proclamations by thugs and rowdies, calling on the people to fight against treason, and fears are expressed that the lowest classes of the people are being incited by the police against the educated classes.

Refuse to Fire on Rioters.

Lodz, June 27.—A case of disaffection among the troops was reported yesterday, when officers of one regiment informed their commander that they would refuse to fire on defenceless people. The regiment was at once transferred to another place.

USE FORMALDEHYDE.

Brantford Milk Dealers to Come Before the Health Board.

Brantford, June 27.—An investigation into the milk supply of this city has revealed the presence of formaldehyde in that supplied by some of the dealers. Formaldehyde is used principally by undertakers in embalming.

The milkmen, three of whom have confessed, have stated they used the drug to keep the milk from souring. Much indignation has been aroused in the city as a result of the investigation, which will be continued.

Some startling results are expected, when all the milkmen will be summoned before the Health Board to-morrow.

CURZON AND KITCHENER.

Former Said to Have Resigned Vice-Royalty of India.

Simla, India, June 27.—It is freely rumored that Viceroy Lord Curzon has already tendered his resignation, or shortly will do so, in consequence of the decision of the home Government, whereby Lord Kitchener, commander-in-chief of the forces in India, has been given complete control of the army in India.

The Times of India declares that India cannot afford to lose "either of the great men, Lord Curzon or Lord Kitchener, who dominate her affairs."

NEW 'PHONES FOR DOVER TP.

Manager of the Bell Company Completes Arrangements for New Lines

Says H. S. Clements Deserves Credit for Securing the Service for the Township.

General Manager Hayes, of the Western District of the Bell Telephone Co., is in the city with Local Manager F. D. Lauria to-day arranging for the extension of the telephone lines in Dover township from their Court to Mitchell's Bay, taking in Big Point.

This extension will be of great value to the people of that district and has been badly needed for some years. Manager Hayes went over the route yesterday with Herbert S. Clements, M. P., who has been interested in the project, and arranged for the map of the line.

"The building of this new line is entirely due to the efforts of Mr. Clements," said Manager Hayes this morning. "For some time he has been pressing the claims of the locality upon the company, but we were loth to take up the matter owing to the heavy expense incurred in building the line. Mr. Clements persisted, however, and finally prevailed upon the head office to take up the matter. Together we secured the necessary number of subscribers and the work will be proceeded with immediately."

The new line will be of great value and convenience to the people of Dover, and Mr. Clements is to be congratulated on the successful outcome of his efforts.

FOUL PLAY?

Inquest into the Cause of Death of Peter Clapperton to be Held by Coroner Bray Friday Evening.

It has been decided by Coroner Dr. J. L. Bray to hold an inquest into the cause of the death of the late Peter Clapperton, whose body was found in the river yesterday morning. A jury was empanelled this morning and after viewing the body at Danke's morgue adjourned to meet again next Friday evening.

There are some extraordinary circumstances surrounding the death of the unfortunate man. On Friday afternoon about three o'clock Clapperton walked into Ald. John Edmondson's butcher shop and bought 25 cents worth of meat. He drew out a purse with some bills in it to pay for the meat and Ald. Edmondson saw that he had \$11.25 at least in the purse. At five o'clock Clapperton came back and wanted to buy more meat and Ald. Edmondson saw that he had been drinking so he took him over to the Aberdeen House and ordered a bed for him. Soon afterwards Ald. Edmondson saw him leaving the hotel and that was the last he saw of him. It seems to be a queer circumstance that at three o'clock Clapperton had \$11.75 in a purse in his pocket and when he was found there was no money and no purse on his person. The suspicion is aroused that he may have been robbed, as he did not spend money very fast, and when he got drunk he generally purchased a bottle and went off by himself to drink alone. It is not known whether or not he met with foul play, but the circumstances are such as warrant an inquest.

Jack Brady, engineer at the Kent Mills, who was on his way home from work at twelve o'clock Friday night, saw the deceased on Thames street talking to a lamp post, and asking the way to the Aberdeen Hotel. Mr. Hardeac, another employee of the Kent Mills, found the deceased's hat in the river Saturday morning.

The jury is composed of Walter Richards, foreman, Jas. C. Northwood, Robert Potter, Robert Coyle, Alex. Findlay, John A. Sissons, James L. Weir, Stephen Backus, Geo. Jamieson, Thos. Hough, F. Tschirhart, Henry Dugan and John Carpenter. Mr. Clapperton's funeral took place this morning from the residence of Mrs. Tom Clapperton, to McVicar's burying ground. Rev. Mr. Neilley conducted the obsequies.

LEAVING

In view of the departure of Miss Jessie Bilton for the West, where she will in future reside, her conferees in Austin's store gathered last night at the home of Miss Lizzie Riley, Colborne St., to bid her farewell.

During the evening the company were amused by games, and a dainty supper was served. The main item of interest, however, was the presentation to Miss Bilton, by Mr. Kitchener, on behalf of the staff of the store, of a travelling bag. The gift was a very pretty one and in a night measure, attracted Miss Bilton's popularity.

DANISH CADETS DROWN

British Steamer Ancona Rammed Training Schooner.

Death List Numbers Twenty-Two—Only One Body Found by Divers—Fifty-Seven Cadets Were Rescued, But Georg-Stage Sank in One and a Half Minutes—Ancona, Considerably Damaged and Held.

Copenhagen, June 27.—A serious disaster occurred Sunday night here, when the Danish cadet training schooner, Georg-Stage, was rammed and sunk by the British steamer Ancona. The Georg-Stage sank in one and one-half minutes. Twenty-two cadets were drowned and fifty-seven rescued. The boys were all in their bunks at the time of the disaster. The night was overcast, but it was not so dark that objects could not be seen at some distance.

The Ancona was considerably damaged along her water line. The port authorities have placed an embargo on the Ancona, which will remain here until the inquiry into the collision is completed.

The Georg-Stage was a schooner of 308 tons register and was 104 feet long. Apparently she was a training vessel for the mercantile marine, and was owned by a private firm of Copenhagen.

Found After a Week.

Chatham, June 27.—The body of Peter Clapperton was found floating in the river here yesterday morning at a spot just across the river from where Earl Mitchell lost his life a week ago. Clapperton was a farm laborer and inclined to liquor. He had been missing for about a week.

Fell in Well.

Innisfil, N. W. T., June 27.—On Sunday evening W. J. Cochrane, a few months over three years old, was drowned in an old unused well. It is supposed that the boy was walking on the edge of the well balance and fell in the old well, which was barely three feet deep.

Two Farmers Drown.

Lanark, June 27.—John White of Lanark and Isaac Monar of Darling Township, while bathing two miles from Lanark Village Sunday morning, were drowned in about ten feet of water, above Drummond's Rapids, on the River Clyde. It is thought that neither could swim and got into deep water. The bodies when found were only two feet apart.

BUFFETED ON STORMY BILLOWS.

Kingston's City Treasurer and Brother Scare Their Friends.

Kingston, June 27.—There was great anxiety felt for several hours in the city yesterday over the absence of Frank Ireland, the city treasurer, and his brother, Kenneth, traveler for Dalton & Sons. They had been camping near the head of Wolfe Island and left in a skiff at 8 o'clock yesterday morning. The water was very rough, and after a time the boat disappeared. In the afternoon the ferry boat and a tug were sent to search for them, and they were found near Snake Island, four miles away. Their boat had become unmanageable, and they had been driven out into the lake, but were able to reach this island.

Excitement in Church.

Shelburne, June 27.—Rev. C. W. Watch preached his farewell sermon in the Methodist Church Sunday night. The church was crowded to the doors. Shortly after the service commenced the transformer in front of the church was struck by lightning, which produced a terrible crash and immediate darkness. For a short time a panic was feared, but it was soon learned the church was not struck. A few ladies were assisted from the church in a fainting condition. The pastor proceeded with his address without the use of the electric light.

Causes a Fire.

Brampton, June 27.—At midnight Sunday night during a heavy thunderstorm lightning struck the drygoods store of T. H. Shields & Co. It is thought, by the electric light wire. In an instant the contents of the window were in a blaze. The loss will not exceed \$2,000.

Lightning Strikes.

Belleville, June 27.—A severe electric storm passed over this section Sunday night. Thomas Callaghan's house was struck by lightning. A new barn belonging to Wm. Robertson in the 7th concession of Sidney was set on fire.

GALT'S MADE-IN-CANADA FAIR.

Gets Off to a Good Start—Business and Pleasure Combined.

Galt, June 27.—There was opened brilliantly last night the Galt "Made-in-Canada" Fair, an exhibition which is to last for the week, and which embraces features testifying to its strictly appropriate designation. There are two large buildings, a skating and a curling rink, each filled with exhibits of all kinds of Canadian manufactures, from the loom products and the rude handwork of the aborigine to the finished articles of the modern workshop, employing the best of skilled labor. From the standpoint of Canadian industrial progress, the fair is a revelation from that of the lover of art and admirer of the ornate and beautiful in decorative display. It is also a wonderful, while from the strictly financial standpoint, the fair is bound to be a splendid success.

The opening last night was marked by a gorgeous triumphal march, representing characters belonging to the history of the country, which 3,000 persons viewed. President David Spiers welcomed the audience. Mayor Mundy gave a short address on behalf of the town. Mr. Patterson, M. P. P., said that the only way to make Canada grow was to encourage her industrial development.
