ENSILAGE SEED CORN

THE YIELD IS WHAT COUNTS

Mammoth Southern.

Giant Prolific.

Yellow Dent.

Leaming Yellow—early maturing.

White Cap Yellow Dent—early maturing.

Red Cob White.

Read the yield from one who has tried our Mammoth Southern, and knows what it is. Don't let your dealer catch you with some cheap John variety by that name. Get the PURE article—take no other. Write us if your dealer does not keep ours, and we will tell you where to get it pure. "Blood will tell."

E. R. ULRICH & SONS,
Springfield, Illinois, U.S.A.

Messrs. E. R. ULRICH & SONS, Springfield, Ill. Gentlemen,—I used to buy seed corn from you several years ago, and it was always good, and gave me great crops, 20 to 24 tons to the acre, but late years I have bought my seed corn from from which I have had poor crops, yielding 4 to 6 tons less per acre than what I got from your seed. Two years ago, one-half of my seed failed to grow at all. I had to replant with other seed. Are you still selling that good, sound, Mammoth Southern Sweet Corn that I used to buy from you? If so, what would it cost me per bushel, delivered in Bond; and have you some good earlier varieties that you can recommend as large yielders of ensilage? We like some earlier that will mature for ensilage. Earlier varieties make richer and sweeter silage, but not so much of it to the acre. I grow 60 acres for silage.

Yours truly,
E. E. TILSON.

Giant Prolific yielded on Government Farm, Agassiz, B.C., summer of 1898, 38 tons and 450 lbs. on one acre.

Why

—In these times of keen competition, is there such a great demand for this All Steel Flexible Harrow?

We can guarantee more than double the strength and wear in this Harrow than there is in any other make.

Parties wishing a first-class Harrow will do well to write us direct or apply to the local agent.

OUR MOTTO: "Not how Cheap but how Good."

TOLTON BROS., GUELPH, Ont.

No Matter

whether you are training for a race or racing for a train, our watch will keep you right. It is honest, reliable, and looks well. It is a man's watch, and every man should carry one. Every school-boy can earn one easily. Read our offer below.

Our Offer...

Any one sending us six new subscribers to THE FARMING WORLD will receive one of these fine Watches, carefully packed in wooden box, post-paid, Free. Or we will send the Watch for three new subscribers and one dollar in cash. Or any subscriber whose subscription is paid up may have one for \$2.00. Your money back if you are not satisfied.

The Farming World is published every week, only \$1.00 per year.

You can earn one of these watches in one afternoon.

Five Good Points

- FIRST—It is made by one of the best manufacturers in the world. Every one is guaranteed.
- SECOND—It is a good timekeeper—in fact so good that many railway conductors rely on it.
- THIRD—It is strong, and will stand the rough and tumble, the dust and damp of every-day wear.
- FOURTH—The case is nickel-finished, and looks just as well as solid silver. With ordinary wear it will keep its color for two or three years—much longer with care. The works will last ten or fifteen years.
- FIFTH—It has a stem-wind and a stem-set. No key to lose; no key-hole to let in dust.
