FOR SALE,

A FEW PLANTS of the BEST KIND of STRAW-BERRY. It is a new variety, known as Bishop's Seedling; is raised from the Triumph de Grand and the Wilson's Albany; it surpasses the Triumph de Grand in deliciousness of flavor, in uniformity of size, in firmness of flesh, in hardness, and in productiveness; it equals the Triumph de Grand in size. The great Agriculturist strawberry, of which so much has been said, is not at all to be compared to it in flavor. These facts are corroborated by the Judge, Sheriff, Lawyers, Merchants, Gentlemen, and others of St. Thomas, where the plant is raised.
