

"I'm Off to Town, Is There Anything More You Want?"

YOUR son or daughter will be able to handle your shopping in town,—to take your produce to market, or to invite "hands" to the threshing or silo-filling, if you own a Ford. Furthermore they always will be glad to make the trips.

In doing these errands they take a man's place. They save your time—and that of a horse. This time saving means money to you, and again, a Ford, it has been estimated, costs less than two cents a mile to drive, or two-fifths of a cent a mile per passenger. The Ford is, therefore, much cheaper than a horse to drive. It is safer. It is more enjoyable. It requires less attention. It will soon pay for itself. The Ford is the farmer's utility car.

BISSELL SILOS ON THE BEST OF FARMS

All farmers are unanimous in testifying as to its value. The handling of the Corn Crop is all done at one time. "You must make Hay while the Sun Shines," but you can store silage with unfavorable weather.

The BISSELL SILO is built of Selected Material, treated with wood preservative oils to prevent decay. The heavy steel hoops make it strong, rigid and air tight. Sizes to suit your requirements.
