Holsteins and Yorkshires

R. HONEY, Brickley, Ont., offers a very choice lot of young bulls, also boars and sows fit to mate.

Douglas & Sons, Mitchell. Boar over six months and under twelve.—S. Dolson again brought out the winner; second, third and fourth going to W. H. Durham. Boar under six months.—This was one of the strongest sections of the class numerically, and one that caused the most dissatisfaction. Rightly or wrongly, a great many of the onlookers thought a number of the pigs brought out were over age, and certain it was that some of them showed a heap of character for pigs under six months. First went to W. H. Durham; second to W. A. Shields, and third and fourth to Thos. Teasdale. Best boar any age went to Cooper & Nephew, on Imp. Polgate Dollar. Sow two years and over.—In point of quality, this was the banner section, and one that taxed the discretion of the judges to pick out the winners, as, without doubt, it was the strongest class of aged Berkshire sows ever seen together at Toronto National. Cooper & Nephew was again handed the red ribbon, on a new arrival, that has to her credit first and championship at the H. A. S. this year, she finally winning the championship here. Sow over eighteen months and under two years.—W. H. Durham won everything in this class without competition. Sow over twelve months and under eighteen.—W. H. Durham, first, third and fourth; Thos. Teasdale, second. Sow over six months and under twelve.—This, again, was a very strong section, bringing out a big ring of really excellent young sows. First and third went to W. H. Durham; second and fourth to S. Dolson. Sow under six months.—A large number came out for honors, which, when handed out, proved, as is usually the case in these younger sections, to be not in strict accordance with some of the exhibitors' opinions. First and second went to W. H. Durham; third to Thos. Teasdale, and fourth to W. A. Shields. Best boar and two sows any age.—First, second and fourth, W. H. Durham; third, Cooper & Nephew. Four pigs under six months, the get of one boar.—First, Durham; second, Shields. Four pigs under six months, the produce of one sow, went the same. Messrs. S. J. Lyons, Norval, and E. E. Martin, Canning, officiated as judges.

YORKSHIRES.—It was the unanimous opinion of all those familiar with the swine exhibit at the Canada National since its inception, that never before was the quality of hogs shown so high as this year. Although the exhibitors were confined to the three great Canadian breeders, James Wilson & Sons, Fergus; D. C. Flatt & Son, Millgrove, and Jos. Featherstone & Son, Streetsville, yet every section of every class was keenly contested by a class of Yorkshires the equal of which was probably never before seen in any show-ring in the world, and brought out by three such expert hog-breeding firms. As might be expected, every animal showed careful fitting, with a total absence of over-fitting. We shall not attempt individual nor sectional description, as in such strong classes, numerically, all could not get the coveted ribbons; but in these classes all through, the failure to land the honors is no indication of inferiority, and whether, in all cases, the judges handed out their awards in strict accordance with "Hoyle," we shall not attempt to say, as, no doubt, in every section hogs left the ring unhonored, just as good individuals as those bearing the red, blue, yellow and white. Boar two years and over.—Last year's champion, D. C. Flatt & Son's Duke of York (imp.), again did the trick by carrying off the red, afterwards being decked with the red, white and blue, indicative of championship honors. Although weighing over half a ton, he is as active as a kitten, and in wonderful bloom. The same firm also won second and third; while fourth went to J. Featherstone & Son. Boar over eighteen months and under two years.—Flatt again brought out the first and second winners; Wilson third, and Featherstone fourth. Boar over twelve and under eighteen months.—In this class, Featherstone had the winner, with Flatt second and fourth, and Wilson third. Boar over six and under twelve months.—Flatt, first and second; Wilson, third, and Featherstone, fourth. Boar under six months.—Flatt, first and second; Featherstone, third and fourth. Sow two years and over.—As in the aged boar section, Flatt again came for
