### AT THE INDUSTRIAL SCHOOL.

Expressly to suit the times, showing the purchasers the very best value for the smallest amount of money—and feel certain—that we can give better value than any house in the trade, in support of which, we call the attention of the public, to some of the advantages we possess.

FIRST-We make our Staple Goods by HAND at the INDUSTRIAL SCHOOL, and are thus able to produce a much better article than those made by machinery.

SECONDLY-By making our Goods and selling them ourselves, you buy them first hand, hence you have only to pay for the material and one small

THIRDLY-As you buy from the maker his responsibility to you is greater than if he had purchased the goods of another and was selling them again.

If the style and size of the boot does not suit, you can have them made at a trifling additional cost. We sell for CASH and cash only to keep strictly ty this we cannot send out for approval, all parcels being paid for before they are

### Should they not suit we will return the money:

Consequently the cash buyer is not compelled to pay those bills that are lost as the result of the CREDIT SYSTEM. These with many other advantages we could mestion warrant us we think in reasserting that we can give better value than any house in the trade.

COUNTRY MERCHANTS who buy in small lots for Cash, would do well to give us a call before purchasing elsewhere.

Windsor, N. S., January, 1880. C.E. PUTTAER

Sir,-It affords me much pleasure in giving my testimony to the remarkable benefit I have received from the use of your "Emulsion of Cod Liver Oil with

Iron and Hypophosphites."

Having suffered for some months with a severe cough and cold, at the same time losing in weight, and having tried many remidies, but without any good results I was induced to try your Emulsion, and having used half-a-dozen bottles my cough and cold is completely broken up and entirely removed, and am at present over ten pounds beavier than when I com-

menced taking the medicine. I can likewise say that Mas. Burnham has been taking it for a cold as well as for General Debility, and she is better now than she has been for the past two years

I have found your Emulsion very pleas ant and palatable to take, and can cheerfully recommend it, and say that I have nevertaken any medicine that has done me so much good. I am, Sir.
