WANTED TO-DAY 100,000 FARMERS
TO INVEST ONE CENT IN A POSTAL CARD

Address it to me. Say on it: "Send me your SPECIAL 20,000 Bike Harrow Cart Proposition." You will be glad afterwards if you do it to-day. Yes, sir!!! It will pay you big. My proposition gives you a chance to get the best harrow cart ever built on two wheels for nothing. It's so good you can't afford to walk. It's a big undertaking for me to sell 20,000 carts, but my proposition is doing it. It's a little out of the ordinary. Get in on this 20,000 cart deal while it lasts. It only costs you one cent to get the proposition. I leave it entirely to you if it is not just a little bit the most interesting harrow cart proposition you ever heard of. Drop me a postal if you don't write another one for six months. Don't buy a cart of any make, kind, brand, or at any price until you first get my proposition. I will then leave it entirely with you to be the judge. I know what you Canadian farmers need in a harrow cart. I have built and sold more harrow carts than all other manufacturers put together and am selling them only direct from my factory to your farm. I own and operate a large farm at Majord, Sask., near Regina, and know what is required of a harrow cart in Canada. I know there is no harrow cart built that will begin to equal the Bike and meet your requirements like it. It is a high wheeler with a positive lock, just right for rough ground. I will carry a large stock at Regina and can ship quick. Write me to-day. It's interesting.
