

EUREKA

SANITARY CHURN

There's no comparison between the ordinary wooden churn and the "EUREKA". Barrel is stoneware—top is clear glass. Besides being absolutely sanitary, the glass top enables you to see how the churning is coming along without opening the churn. Also made with Aluminum top. The "EUREKA" is the easiest churn on the market to operate. By tilting back the frame until the weight rests on the wheels, the churn can be quickly and easily moved—while the barrel remain upright. If your dealer does not handle the "EUREKA," do not take a substitute but write us for catalogue.

The Air's Natural Humidity

on a balmy spring day is from 60% to 70% but in the average stove or furnace heated house in winter, the moisture in the air drops as low as 25% or even less.

Such dried out, parched air seriously affects the throat and lungs and general vitality of the whole family, as well as being destructive to furniture, books and woodwork. But the homes that rejoice in a

"Good Cheer" Circle Waterpan Furnace

have nature's moist balmy air warming—not parching—throughout the entire house. They have a healthy heat because of the construction of the big circle waterpan.

This encircles the furnace—it is big—commodious—sensible—it holds several times as much water as the makeshift pan in the average Furnace—it is placed just at the proper position to catch the incoming air, to give it extra moisture before it gets to the heating surface and thus the air supplied to every room is almost as humid as the outside atmosphere.

You will benefit in Health and save in Pocket by installing the Good Cheer. We will gladly send you our literature fully explaining all about it.

HEWSON

UNSHRINKABLE

Don't buy underwear at random

Many men simply say "Underwear"—and take what is offered them, but by adding one word and saying "Hewson Underwear" you would get a vastly different article.

Hewson's is perfect-fitting, pure wool, soft and durable. Hewson's seams are covered by a special machine we installed for the purpose. Hewson seams are not only better finished but are protected, smooth, and as strong as the fabric itself. Purest Nova Scotia wool always chosen for this underwear.

Don't buy NAMELESS underwear any longer. Ask for "Hewson's Unshrinkable" and get quality, wear, appearance, comfort and fit.
