Motion for Committee to correspond with H. M. Government on subject of differences between Council and House

Mr. Lawson moved that the House do come to a Resolution as followeth, viz :  
*Resolved*, That a Committee be appointed to correspond during the ensuing summer with His Majesty's Government on the subject of the differences now existing between His Majesty's Council and this House : which was seconded, and while the House were in debate thereupon,

Message from President requiring attendance of House

A Message from His Honor the President, by Mr. Deputy-Secretary Hill :

House attend President

Mr. Speaker,  
 His Honor the President commands the House to attend His Honor immediately in the Council Chamber ;

Assent of President to Police Bill

Accordingly, Mr. Speaker, with the House, attended His Honor in the Council Chamber, where His Honor was pleased to give his Assent to the following Bill, viz :

A Bill, entitled, An Act to amend and continue the Acts concerning the Bridewell and Police in Halifax.

After which His Honor was pleased to make the following SPEECH :

President's Speech

*Mr. President, and Gentlemen of His Majesty's Council,  
 Mr. Speaker, and Gentlemen of the Assembly,*

When I had the pleasure to meet you here on the 11th of February, for the despatch of the Public Business, and having nothing of moment to submit for your consideration, I did entertain a sanguine hope that by your united endeavours, and cordial co-operation, the Session would not have detained you long.

But I am sorry to find, that, although more than eight weeks have elapsed, the most important measures, as regards the immediate interests of the Province, remain in a state of abeyance, in consequence of a difference in opinion on points which have long been established and recognised as necessary for the salutary and effectual conducting the affairs of a Government constituted as ours is.

Understanding there is little probability of your accordance in the matters that are pending, under such circumstances, I consider it my duty to relieve you from further continuance in Session, that you may return to your homes, to attend to your private concerns.

Afterwards, the Honorable the Attorney-General, as Acting President of His Majesty's Council, by command of His Honor the President, said,

Prorogation of House

*Gentlemen,*  
 It is His Honor's will and pleasure, that this General Assembly be prorogued to Thursday, the first day of July next, to be then held at the usual place ; and this General Assembly is accordingly prorogued to Thursday, the first day of July next.

**J. WHIDDEN,**

Clerk of the House of Assembly.
