UNDER THE 5TH GEO. IV. CAP. 67.

COMMENCING 2ND JANUARY, 1826, AND ENDING 28TH FEBRUARY, 1834

Year	No. of Writs sued out.	Amount sued for.	No. of actions tried.	Amount of Judgments.	No. of Criml. Trials.	No. per-sons tried	No. of ap-peals.	Executions.		Remarks.
								No.	Amount.	
1826	359	6285	2	1	307	38	2	120	8	The difference between the number of Writs sued out and the number of actions tried is to be accounted for by the cases marked "settled or withdrawn" (and which are not herein included) but as the fre-quent and numerous motions, hearings, & re-hearings before the Court do not appear in the present Return; the fairest criterion to go by, is the number of Writs sued out as upon an average that amount will be found to constitute the business before the Court.—Writs issued at St. John's are not herein included.
