FRESH THRUST BY GEN. HAIG REACHES POZIERES VILLAGE

London, July 24.—BritishTerritorial and Australian troops, by a miles between Thiepval and Guillemont, carried the German outer works for a stretch of five miles, penetrated into Pozieres, and, wheeling around the village, have driven a wedge across the Bapaume high road, between Pozieres and Bapaume The German defence line between brunt of the attack, and it was here that the British registered their largest gains. More important than the seizure of Terrain, however, is the fact that Gen. Haig has forestalled the German counter-stroke which was in process of preparation, and for which large Teuton reinforcements had been gathered behind the

The initiative is still firmlyl in the hands of the Britis, and it is theirs

That the British gains were attended with heavy losses is indicated in reports from the German Grand headquarters and correspondents despatches from the front

In one place to the right of Pozieres the artillery failed to completely level the wire entanglements British troops attacking on that front were subjected to a furious machinegun fire, which cost them heavily. Despite this they succeeded in penetrating into Guillemont, and now hold sections of the outskirts. In adready, scores of the leading marks- dition, the British for a time regained complete control of Longueval, where there has been heavy fighting for the last week. Later, the official reports states, they were forced to cede ground in the northern part of the village before a strong German

counter-attack. The gain at Pozieres puts the British troops beyond the German third line. They are within two miles of the heights of Martinpulch, the crest
