Manager Slattery and Secretar Hanley of the junior O, H. A. Club have arranged for the use of the Waterloo rink. The club have se-cured the rink for Monday and Wednesday nights, 7 to 8 o'clock, and Fr. day nights for scheduled games.

Cause of Fire.

It is stated that the fire at 111 Spring St, last night may have been of incendiary origin. The house was Cronk, of 44 Richardson street, got undergoing repairs and an addition in lost on Colborne street, and was the form o fa store had been built. rying lustily when P. C. Cobden saw It has been stated that there was the little fellow. After some question- considerable opposition to the building the P. C. learned from the little ing of this store. The fire however boy his name and address, and he did not originate in the store, but in

Many Applications for Relief.

The applications to the township or relief, have been decidedly more numerous this year than in other years. Each day there are two or of \$503.50 has been given by the city three applications and the winter is still young. Here is another opportunity for the filling of stockings by the members of The Courier

More Street Vending.

A foreign vendor of rugs, this norning called at the office of lawyer and alderman, and offered his wares. The alderman asked him if he had a license and received the reply that he had. The pedlar later said the license was for the City of Hamilton, The City Hall was got on the phone, but the pedlar never waited for the alderman to receive an answer to the query. If the vendor has not already left town According to the London Adverit looks like a case for the police.
