Estates Economically Administered

Many estates have realized far less than their true value in the hands of an inexperienced individual executor. Estates administered by this company receive the constant care of trained executives, and the fee is as moderate as for an individual. Our booklet on Wills gives full particulars. Write for it.

RECONSTRUCTION COMPLETE

By Special Wire to the Courier.
 Udine, Italy, July 21.—The engineer corps of the Italian army has completed the reconstruction of the railroad bridge over the Isonzo River between Cervignano and Monfalcone, which was destroyed by the Austrians at the outbreak of hostilities. The first train passed over the structure yesterday. Reconstruction of the bridge in so short a time is regarded as an engineering feat.

OVER 500 SAVED

By Special Wire to the Courier.
 Bari, Italy, July 21.—More than 500 members of the crew of the Italian Cruiser Giuseppe Garibaldi, sunk Monday by an Austrian submarine, were saved. This leaves only about 50 who are missing and who probably were drowned. Survivors say the Giuseppe Garibaldi was attacked by three submarines which came from the direction of Ragusa and Spalatico, Dalmatia. The Italian warship opened fire on the submarines, one of which is believed to have been sunk.

GREAT FIGHT LEAVES ITALIANS ALL VICTORIOUS

Milan, July 21.—Fourteen hundred refugees arrived here to-day from Gorizia. They report the city as almost completely evacuated.

Continued progress is being made against Goritz by the Italian army. To-day's official bulletin announced a very brilliant achievement in this zone, which is the most difficult from a military standpoint of the Carso Hills.

Several days ago I had information that a very severe battle was being fought, with steady progress in favor of the Italian army. This battle reached its greatest intensity on July 18. The enemy was vigorously pursued, his forces badly cut up, and his entire camp captured, together with important positions and large quantities of ammunition. In the general rout the Austrians became entirely disorganized, and 2,500 of their men were compelled to surrender. The total Austrian casualties are estimated at 10,000 men.

The vast number of shells hurled by the Italian batteries in many places completely demolished the trenches, and the losses of the Austrians in dead and wounded between July 16 and 19 are enormous.

MORE DEFENCES DESTROYED
 Simultaneously a violent attack is in progress at other points along the Isonzo front. Many of these actions are extremely violent and though progress is slow, the enemy is being steadily driven back and is suffering especially from the fire of the Italian heavy guns.

Part of the defences of Fort Hermann, northeast of Plezzo, have been destroyed. In the region of Falzarego continued progress is being made.

BECKER DOES NOT ASK ANY FAVORS TO-DAY

Just Justice—His Death is Still Scheduled for July 28th.

By Special Wire to the Courier.
 New York, May 21.—Counsel for Charles Becker awaited to-day the result of Becker's appeal to Governor Whitman to forbid his execution on July 28 for the murder of Herman Rosenthal. Becker's plea sent to the governor at Albany last night included a long statement of his version of the facts leading up to the murder. In this statement Becker denied complicity in the murder and said that State Senator Timothy D. Sullivan, now dead, had told Becker that he had \$12,500 invested in Rosenthal's gambling house and that when Rosenthal began to make public statements about the raids on his place Sullivan exacted a promise from Becker to keep Sullivan's name out of it. Becker said that he had kept his promise up to the time of the making of his plea for executive clemency.

Becker's statement made no disclosures of police graft, but gave an account of his movements on the night of the murder. Martin T. Manton, of Becker's counsel, has announced that proceedings will be started in a day for two in application for a new trial for Becker on the grounds of newly discovered evidence. The nature of the evidence was not disclosed. It was reported that friends of Sullivan have offered to make affidavits substantiating in part the story which Becker told.

TWO MORE BODIES

By Special Wire to the Courier.
 London, July 21.—A despatch to the Central News from Queenstown says that two more bodies of victims of the Lusitania disaster have been washed ashore on the County Clare coast. One of them is that of a stewardess and the other of a man. The latter's clothing contained a pocketbook, inscribed with a name which apparently is "West."
