In Creating Scarcity of Pap-

er-Need for More

Precautions.

Ottawa, Oct. 19.-Independent of ale of the prisoners varied other causes operating to increase than now. "You will notice that the price of paper to Canadian publishers, the constant destruction of spruce and balsam forests by pre- small parties of our men are b ventable fires has played a serious to get into hazardous positions role. Without question, there is this kind of intricate operation abundance of woods to meet all demands of paper mills, but abundance and accessibility are frequently two Germans have never fought very different things. Transportation and some have never fought so distances between the woods and the ly as in the last few weeks. To mills is a factor of first importance, as not a few unsuccessful Canadian tically threw up their hands and American paper mills have been walked into the British lines. forced to realise. Every additional the soldiers who took them prisoners mile a paper mill is obliged to travel and their comrades had no illusion

mile a paper mill is obliged to travel for logs, the costs of the paper product will reflect an advance.

E. H. Backus, President of the Minnesota and Ontario Paper Co. at Fort Frances, Ont., stated recently that the increasing inaccessibility of pulp limits from the mills is making who throws up his hands on the condition of the German army as a whole. There were soldiers who were reddy to fight with that ferocity which expects no quarter."

However, whether it is a German Belogma, lb.

Sausage. of supplies need be lessened very lit-

Up to the present stage in Canada By Courier Leased Wi the lack of modern fire protection the negro pugnist, who once changed the timber resources, are chiefly responsible, has reduced the near-at-hand bodies of pulp wood far more than the actual cut of logs.

The Northern Ontario fires of last summer are an illustration of this steamship Aros Castle from Austrfact. In the 1200 square miles declarated were substantial quantities money in the prize ring, shoveled to the timber resources, are the timber resources, are the title of welterweight champion of the title of welterweight champion of the world and who defeated Joe constitution of the world and who defeated Joe constitution of the stream of the title of welterweight champion of the world and who defeated Joe constitution of \$10.60; Yorkers, \$10.40 to \$10.60; Yorkers, \$10.40 to \$10.60; Yorkers, \$9.25 to \$10.50; pigs, \$9.50 to \$9.65; roughs, \$9.50 to \$9.65; stags, \$7.50 to \$8.50.

in war time, but it remains true that since the first paper factory in Canada began to operate, the fire fiend has been laying his tax on the paper

EXTENDED INTERESTS New, York, Oct. 19 .- A cable to

the Journal of Commerce from Lon-"Lord Rhondda has extended his interests into the Swansea anthracite

coal district by securing control of the Gwaun Cae Gurwen Colliery, the largest concern in the district. The colliery has a capacity of 300,-000 tons annually. Further amalga-mations are expected and some observers suggest that these combines will eventually lead to the nationalization of the country's coal fields.

### THE WAR WILL LAST

(Continued from page 1) concentrating every possible ma and gun against Roumania. Th view of the British officers is the Germans hope to crush Roun ia so that when they have to fa common allied offensive in spring they may not have to de the immense length of the Roun ian frontier in addition to what have had to defend this summe It is a universal remark and the British that never has the i that the Germans get very fev ours," said a staff officer. "The close quarters, they'd rather die vield. This shows their morale the temper of the situation.

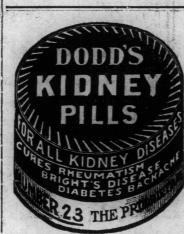

pulp limits from the mills is making who throws up his hands on the appaper dearer. Unlike small saw proach of a British charge, or the mills, the permanently located pulp survivor of a score who fought to mills, the permanenty located purpose mill cannot pack up its equipment and follow the retreating forest. Forest engineers are agreed how-same. All believe that the war has cattle, 74 calves, 2135 hogs and 925 officers was appointed. ever, that with care in oprating limentered a stage where no compromise sheep. its and thorough protection against is to be expected and where victory fire, pulpwood forests can be perpetuated indefinitely; accessibility to stick the longest.

WOLCOTT RETURNS

New York, Oct. 19 .- Joe Wolcott, for which the governments, as trusthe negro pugilist, who once claimed tees of the timber resources, are the title of welterweight champion vastated were substantial quantities of paper making materials. In the coal all the way from Australia. His same fire, an Ontario paper company last recorded appearance as a fighter lost 400,000 cords of wood, ready was in 1908. Soon afterward he dispiled in the mill yard. Quebec's 1916 appeared, and it was rumored among piled in the mill yard.
