International Bible Lesson for Tomorrow—The Widow's Oil Increased—II. Kings, 4, 1, 17.

Golden Text—Trust in the Lord and do good: so shalt thou dwell in the land, and verily thou shalt be fed.—Psa. 37, 3.

Just a short time before the events of this lesson occurred, Elisha had been used of God in delivering the armies of both Israel and Judah from total destruction and procuring victory for them over the Moabites, yet no public honors were bestowed upon him and we find him an humble servant of God and man, "going about doing good," "visiting the fatherless and widows in their afflictions and keeping unspotted from the world."—James 1, 27.

How many students and young men to-day do just as this poor pious student: marry and go in debt, die without insurance, and leave a widow and family unprotected for.

We find the widow with her two sons in great distress, as the creditor had come to claim the boys as bond servants until the account was squared by their services—as common a way of settlement then as to garnishee a man's wages is now. The widow cries to Elisha, who knew her husband as a God-fearing man, and his sympathy is stirred. The only asset in their home is a pot of oil. Elisha directs her how to act—"those are most helped who are helped to help themselves." Note the co-operative ability of man with God. She is told to borrow, not the full, but all the empty vessels her neighbors can spare. Elisha knew God would pour out a blessing only limited by vessels emptied to receive it. With none present, but herself, her sons and her God, and the door shut, she is told to pour the oil—emblem

of the Spirit—into the borrowed vessels until there is no more vessels to receive it. (Olive oil was as marketable as kerosene is now). She wisely waits on Elisha for further directions; he tells her to sell enough to pay the debt, and keep the balance to support the family. The joy of the Lord and the joy of Elisha was greater than that of the poor family for "it is more blessed to give than to receive."  
Friend, are thou "a vessel meet for the Master's use?"

## PRESIDENT COMMERCIAL CLUB, OF LOUISIANA, SAYS: "THERE IS NO FINER MEDICINE THAN PE-RU-NA"

W. W. WASHBURN  
PRESIDENT LOUISIANA COMMERCIAL CLUB

Suffered With Kidney and Liver Trouble for Twelve Years—Pe-ru-na Cured Him—Feels Better Than for Twenty Years.

Hon. William Watson Washburn, President of the Louisiana Commercial Club, and a very well known man of New Orleans, La., writes from 637 Canal street:

"I am satisfied that there is not a finer medicine placed before the public to-day than Peru-na. I have been troubled for nearly twelve years with kidney and liver trouble, and at times I have been a pretty sick man, unable to attend to my duties. I had about made up my mind that no medicine could help me, when one of your booklets was brought to my office which I read in a leisure hour. I then decided to give Peru-na a trial and found that I had at last secured the

right medicine for me. For two months I used it faithfully and then felt so well I was like a young man once more. This was over a year ago and I have not had any trouble since. Although I am in the seventies I feel better and more active than I did thirty years ago."

Most derangements of the kidneys are due to catarrh of the kidneys. Peru-na is a catarrh remedy. This explains why it is that Peru-na cures a great number of kidney diseases in which the usual remedies fail.

If you do not receive prompt and satisfactory results from the use of Peru-na, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

# STOCK REDUCTION AND EXPANSION SALE

We have taken over a business in the City of Winnipeg. To accomplish this we had to guarantee a large amount of capital. In order to secure the amount required we find it necessary to reduce our immense Chatham Stock of over \$75,000.00 by at least \$40,000.00 before the end of this year. Do you realize what this means to you? Our importations from foreign manufacturers (as can be shown by Customs returns) are larger this year than have been landed in Chatham before. This means that you will have an exclusively new stock of over \$75,000.00 from which to make your Fall and Winter Purchases at a reduction or nearly all lines of from 10 per cent to 50 per cent off regular prices. This Great Sale Commences on

MONDAY, OCTOBER 10th, AT EIGHT O'CLOCK.

And will continue all through the season. SATURDAY previous, the store will close at SIX O'CLOCK p.m., in order that the evening may be devoted to arranging our stock for sale commencing on MONDAY MORNING. This will beyond doubt be the Greatest Sale of High Class Dry Goods ever held in Chatham, and coming as it does right at the beginning of the season affords you splendid opportunity of doing your Fall shopping. Read Carefully the List of the Bargains Offered. You will find them all when you come in, and hundreds of others that we cannot mention in this advertisement.

## STAPLES
