After All.

We take our share of fretting. Of grieving and forgetting. The paths are often rough and steep, and needless feet may fall, but get the days are cheery, and night brings rest when weary.

It is a good world, after all. The help of children's voices. The cheer of happy choirs. The best-tempered of hope and faith, through fog and mist that call; The heaven that stretches o'er us.

A Sea Mystery.

I have been on the sea for forty years and have passed through many dangers. Thus I have had ample opportunity to observe how different people will act in the presence of death.

Up to a certain point a marine disaster is like a battle, many on board being sustained by an endeavor to avert the catastrophe. But once all effort has become useless those exposed to the merciless waters sink to a condition of despair.

Boy Had Fits

For 6 Years. Druggist advised DR. A.W. CHASE'S NERVE FOOD—Cure complete and lasting.

Mr. J. D. Hunter, 25 Park St., Amherst, N. Y., writes: "When six years of age my boy began to have fits. They came on in the night. He would strike his head on the floor, foam at the mouth, face would twitch and sometimes turned purple. After the fit he could not talk."

"The family physician said all he could do was to keep them down somewhat. The second physician pronounced trouble Jeffersonian epilepsy, but could not cure him. He suffered for six years and before beginning the use of Dr. A. W. Chase's Nerve Food had three fits in about five days. Our druggist recommended Dr. A. W. Chase's Nerve Food. He has taken seven boxes and has not had the symptom of a fit since. His color has greatly improved; he is not nervous and irritable like he used to be, and we consider his cure complete."

These results are only obtained by the use of the genuine Dr. A. W. Chase's Nerve Food—not from cheap imitations or substitutes. 50 cents a box, all dealers of E. H. Mansson, Bates & Co., Toronto.
