Association: SUBSCRIPTION : \$2.00 per year, payable in advance. Subscribers in U. S. must pay 50 cents extra for peakage. ADVERTING RATES : Small ads. and se Wanted. For Sale, To Les, Announce-ments of Meesing: Event, Carvia of Thanks, 10 Meesing: Even

advertisers. Centributions : News items from any part of Graleton and Victoria counties are eagerly sought. Brief letters on timely topics will be published at the Editor's discretion, but all such angles to send poetry, prose literature or any other there are the readers in the two counties. It must to the readers in the two returned, if postage is not included. PENETIMS : The Observar office is co-

HARTLAND, N. B., NOV. 34, 1921.

POLITICAL ADVERTISING

Every line of "political dope" advertising, and mighty good bush iness at that. Each party pays the same rate, which is exactly the same that the merchants pay for equal space. While some of the west its due and no more. the ideas expressed in these advertiséments could be conscientiously endorsed by the editor, he has as yet refrained from expressing any opinion in this election further than to hazard the predictions that the Liberal party will

In this issue a page ad is ad-dressed to Liberals. In fairnes to Mr. Caldwell and to the Pro-gressive committee it about to the Progressive committee it should be understood that neither he or they had anything to do with the purchase of this space and the editor does not believe they will know a thing about it until they see it in print. The page was bought and paid for and the copy was pre-pared by a group of die-hard Liberals.

T. W. CALDWELL AND HON. B. F. SMITH

(Continued from page one) old time reception that has been one the tariff. In spite of the huge deficit B. F. Smith was greeted with the of the long established campaign tactics of the party. He expressed an appreciation of the applause and ad- this expenditure by referring to our mitted it to be a great pleasure to meet great railway systems and claiming

### BURNS TELL OF WIPES TROUBLES

Says Tanias Proved To Be Just What She Needed-Health Is Splendid Now

"My wife is certainly well pleased with Tanlac and it's the main thing the talks about since it resto so her health," said M. Burns of Saint Ross, Man., an employee of the Canadia National Bullway. "My wife had been in poor health

for three years and she seemed to be getting worse rapidly. She had stomach trouble and indigettion and had to be particular about everything she ate. At times she complained of awful pains in her stomach and gas would form and bring on more distress. She was all the time having headaches, at night could not get much sleep and became so weak she could hardly do the housework.

"Finally, as nothing she tries seemed to help her I sot her some Tanlac, and it proved to be just the thing she needed. She is looking fine now and says she feels as well and strong as she ever did in her life. Her appoints has returned and she can est anything without it burting her. She sleeps me and her, health is as good as it used to be years ago. Tanlas is sold in Hartland by Ba-tey & Cartis Co., Ltd., and by leaddruggists' everywhere.

only in hundreds of thousands. Russia, Germany, in fact all countries are in far worse shape than Canada. Great Britain herself is having hardships of various nature and is having a hard time to grapple with her problems. He thought Mr. Caldwell was wasting time discussing matters that were insignificant. He charged that

the policy of the U. F. Guide was dictated by the Grain Growers. To prove this statement he named the directorate showing two Maritime members and three from Winnipeg. On the Get Carr's prices before buying strength of this he based the contenstrength of this ne based the conten-tion that it was fair for him to say that the policy of the Progressives, whether in N. B. or elsewhere, was the policy of the Worten Grate Granter policy of the Western Grain Growers. In justification of his claim for farmer support he said, "Am I not as extensive a farmer as Mr. Caldwell? Have 1 not spent years looking up avenues of trade for the farming interests? Has the work of all these years been of no avail? Mr. Caldwell has never brought your interests to the attention of parliament. He avoids this issue by making a few ram-bling remarks on the budget. Mr. would gain proper attention . It he it from the car. would have duty on fertilizer removed all that was necessary was to introduce his motion when the House was in supply. Did he do this? No, he has never made one serious effort to effect anything for your interest. As
