> a deficit, but the country has a per-manent building and considerable terest he took in it, and in the working | nr

out of which, more than anything else, he lost his life.

Mr. Ellis called attention to the fact that the University of New Brunswick costs the people of the Province large sums of money and the result is cor-

respondingly small. Last year there were only nine graduates. For some reason or other, the people were not in sympathy with it and it was not ought upon the best thought of the Hon. Messrs. Blair and Mitchell and Messrs. Wetmore and Hanington ascribed it to two reasons: 1st, that the

ed in the Province enlisted the sympathies of the people more than the university did, and there was also a payment of interest on temporary prejudice not yet entirely done away with on account of the manner in which the institution was established Mr. Stockton thought, as the Pro-vince pays this money to support this institution, and as the people are not in sympath; with it, the scholarships should not be attached exclusively to it, but given to the successful compe-titors and allow them to choose what college they pleased.

Mr. Adams believed the property of the country should not be taxed to make any man's son a Greek or Latin He was in favor of a good, fair and legitimate education being provided but was opposed to allowing money to be spent on any University. The item passed. On item for Exploration and Survey

ON AND AFTER MONDAY, DEC. 3rd the steamers of this Line will make trips a week, leaving St. John every and set apart for some time for lumber purposes only. When the survey has been made it will be actually seen Monday and Thursday Mornings, what lands are fit for lumber purposes and they will be reserved for that pur-

Mr. Adams thought that the sum would be met and there would be a sufficient reservation. The lease for ten years of Crown lands would ene their value and was wrong. Mr. Park said the increased rate of tumpage would be favorably viewed by only those who had grants of land from the Crown. There was a feeling in his county that the hemlock bark regulations were a mistake. He hoped
