Pretty St. John Girl Interested in Case---Married Deceased Lady's Son--Cut off in Will.

(Special News Service.) BOSTON, Thursday. - By the rulg of Judge George of the Probate urt a Supreme court jury will be called on to decide whether Hanah Feldman, of 811 Beacon Street, Hoston, was unduly influenced when she worth over half a million dollars. The innocent cause of this battle for a fortune is Mrs. Edward Feldman who was Margaret L. Myers, of St.

John, N. B. Edward Feldman was cut off from the permanent use and disposition of the Feldman dollars because he, a Hebrew married Miss Myers, a Catholic. The pretty St. John girl was employed in a Boston restaurant when OTTAWA, Thursday. - To make young Feldman first met her. The

According to the will Edward's income was to cease with his death and no provision was made for his

children. The St. John girl testified before Judge George that for over a year FOR WINDEG after the marriage she did not visit Edward's mother owing to statements made to the testatrix concerning her

be Fished---Are Not Fit to Eat.

USELESS SLAUGHTER

The following paragraph is from the Fredericton Herald:

'Messrs, J. W. Fairley, J. A. Winslow and F. A. Janney returned today from a fishing trip to Bolestown, bringing with them twenty salmon and grisle and three sea trout, which they eaught with a fly in the Southwest Miramicht river on Saturday. The salmon ranged in weight from three to twenty pounds, and the largest trout weighed three pounds. They had splendid luck and might be inclined to doubt the story

office, St. John street.' 12,612 This is a species of sport which 12,609 should be prohibited. These salmon and grilse are what are known as 1,781 'black salmon,' or salmon which from 1,193 some cause have not been able to pro-678 | ceed to sea for the winter. They are not fit to eat, nor are they lively enough to make the catching of them exciting. They are of no value at this time of the year, but if allowed to go to sea would return later as merchantable

The Fish and Game Protective Association should use its influence to have an act passed to prohibit this fishing and thus help preserve this valuable game fish.

You might save up something for a
