LIFE'S MARATHON.

So many young men interested in William Sherrington's great victory have been expressing their views concerning the Marathon race to the officers of the Y. M. C. A. that Mr. Best has acceded to a large number of requests and will speak on Sunday afternoon next at 4:15 on the subject of Life's Marathon. Mr. Best for several years was one of the most prominent pedestrians in Canada, and there are not many points of vantage concerning foot racing with which he is unfamiliar. Special music is being arranged for the meeting and all men are cordially invited.

Coffee Hurts One in Three

It is difficult to make people believe that coffee is an absolute poison to at least one person out of every three, but people are slowly finding it out, although thousands of them suffer terribly before they discover the fact.

A New York hotel man says: "Each time after drinking coffee I became restless, nervous and excited, so that I was unable to sit five minutes in one place, was also inclined to vomit and suffered from loss of sleep, which got worse and worse."

"A lady said that perhaps coffee was the cause of my trouble, and suggested that I try Postum Food Coffee. I laughed at the thought that coffee hurt me, but she insisted so hard that I finally had some Postum made. I have been using it in place of coffee ever since, for I noticed that all my former nervousness and irritation disappeared. I began to sleep perfectly, and the Postum tasted as good or better than the old coffee, so what was the use of sticking to a beverage that was ruining me?"

"One day on an excursion up the country I remarked to a young lady friend on her greatly improved appearance. She explained that some time before she had quit using coffee and taken Postum. She had gained a number of pounds and her former palpitant of the heart, humming in the ears, trembling of the hands and legs and other disagreeable feelings had disappeared. She recommended me to quit coffee and take Postum, and was very much surprised to find that I had already made the change."

"She said her brother had also received great benefits from leaving off coffee and taking on Postum Food Coffee. There's a reason."

WANTED KILTIES.

NEW YORKER S DISAPPOINTED WHEN THEY DID NOT GO.

Word reached here to-day that there was a big row among the authorities in charge of the military tournament at Madison Square Garden, New York, because the Hamilton Highlanders were not secured as an attraction. The Kilties made a great hit with New Yorkers when they appeared there, and there was a good deal of disappointment when they were not seen again this year.

Col. Logie, the Highlanders' commanding officer, when spoken to to-day, said an invitation had been received to have as many of the men attend the show as possible. The New York people could not do anything in the way of paying expenses, though, and on account of the Windsor trip and having to buy new uniforms it was impossible to accept. The Hamilton officers have not heard of any trouble because the regiment was not secured.

"The men have only the most pleasant recollections of their outing to New York," said Col. Logie.

NEW NAME GIVEN TO CLUB ORGANIZED BY DR. HARRIS.

The Orchestral Club formed by Dr. C. L. M. Harris in February last, held its first annual meeting last night at the Conservatory of Music. The orchestra consists of 35 players and judging from the large attendance and enthusiasm shown the Orchestral Club will be a success. The new organization has chosen for its name The Schubert Orchestral Club of Hamilton. It was decided to resume practices at the Conservatory of Music on the third Thursday in September. Two concerts each year will be given, one in November and the other in March. The orchestra has been rehearsing since February on the November programme. The following officers were elected:

President, Charles A. Minton. Vice-President, Dr. C. L. M. Harris. Secretary and Treasurer, Dr. Fiore MacLoughlin. Librarian, Earle Lee. Committee of Management—The officers and Dr. Charles Ross, William Smith, Miss Ella Howard, John Hartmann, Miss L. M. W. Poole.

This being fish day a strange fish by the name of Thomas, who was caught with the liquor bait, was let out at sunrise.

FERGUSON-HENDRY.

"Hillside," the residence of Mrs. Gilbert Anderson, Garth street, was the scene of a pretty wedding on Wednesday, the contracting parties being Rev. John J. Ferguson, a graduate of Winnipeg University, and Miss Helen Hendry, daughter of the late James Hendry of this city, and sister of the Misses Hendry, of Hamilton. The ceremony was performed by Rev. D. H. Fletcher, D. D., assisted by Rev. J. C. Talmie, B. A., of Winnipeg, brother-in-law of the groom. Only the relatives and immediate friends of contracting parties were present. Rev. and Mrs. Ferguson will reside in the west.

A TOWN ON FIRE.

Pittsburg, May 11.—Suterville, a mining town on the Baltimore & Ohio R. R., 20 miles east of Pittsburg, is threatened with destruction by fire and help has been requested from the city, Connelville, McKeesport and Braddock. A number of buildings in the heart of the town have already been destroyed and the fire is beyond the control of the local department.
