HAD DYSENTERY

Was So Weak She Had To Go To Bed. Mrs. Charles Buchanan, West Monkton, Ont., writes: "I took Dr. Fowler's Extract of Wild Strawberry when I had dysentery so bad I passed nothing but blood and water. I got medicine from my doctor, but it failed to help me. A friend of mine dropped into see me one afternoon. I was so weak I was in bed. She told me what 'Dr. Fowler's' had done for her little boy, and she went home and got the bottle she always kept in her medicine chest, and believe me, four doses helped me so I could get up and do my work. In two more doses and I was as normal as I should be. I would not be without it now if it were five dollars a bottle. My husband has used it since I did, for diarrhoea and he got splendid results. You may publish this if you wish, as it may lead some other sufferer to a cure."

Dr. Fowler's Extract of Wild Strawberry for the past 74 years has had phenomenal success in all cases of diarrhoea, dysentery, cramps, colic, cholera morbus, cholera infantum, summer complaint and bowel complaints of old and young. If you want to be on the safe side, if you don't want to experiment or take chances as to results, refuse any and every bowel complaint compound that is offered you and insist on the old reliable "Dr. Fowler's". Price 35c. a bottle at all dealers. Put up only by The T. Milburn Co., Limited, Toronto, Ont.

Announcement

For the information of our many patrons, in both town and country, we deem it necessary to announce that the Coal Business, successfully carried on in the past by the late Mr. Charles Lyons, will be continued by the Estate, under the old firm name of C. Lyons & Co.

By maintaining a high standard of service and by courteous and honest treatment of the public, this firm has, for a period of more than a quarter of a century, enjoyed a large and ever-increasing patronage; and in announcing our intention of "carrying on," we desire, most earnestly, to give expression to our appreciation thereof. We are deeply grateful to the firm's many patrons for their constant manifestation of confidence in it in the past, and we assure them that if they favor us with a similar evidence of their good-will in the future, there shall be no economy of effort on our part to make our intercourse both pleasant and profitable to them.

As we possess almost unlimited facilities for supplying the coal trade, and as we are desirous of extending our already large business, we respectfully invite the patronage of new customers; and if we succeed in thus increasing our present connection, we guarantee that we shall be indefatigable in our endeavor to justify the confidence of our new friends. We again thank our patrons for their past generous patronage, and respectfully solicit a renewal of their esteemed custom.

Your Soldier Boy Wants HICKEY'S TWIST

No matter where he is, or what other tobacco he can get, the Island soldier who chews tobacco is never satisfied with anything but HICKEY'S TWIST.

In hundreds of letters from the boys in Flanders, France, England and the training camps, they ask for HICKEY'S TWIST—and the 105th took along 20,000 figs with them.

Send your soldier boy a pound of HICKEY'S with the next parcel.

Canadian National Railways-- OPERATING ONE HOUR EARLIER

Important Daylight Saving Change of Time at 2 a.m. Sunday, March 30, 1919

All clocks and watches used in operation of Canadian National Railway will at 2 a. m. Sunday, March 30th, be advanced one hour. To prevent serious confusion and inconvenience to the public the attention of all concerned is directed to the following conditions resulting from the important change of time:

If cities, towns, villages and other municipal bodies do not change their local time to correspond with the new Railway time, all concerned should keep in mind that while trains continue to leave Railway Stations on present schedule, such schedule will be operated one hour ahead of present local time. Therefore any municipality where local time is not changed to correspond with the new Railway time, passengers must reach Railway Station ONE HOUR EARLIER than shown in current folders and public time posters.

Where municipal time is changed to correspond with the new Railway time, passengers will not experience difficulty growing out of the change. April 2, 1919.
