HURON SIGNAL

THURSDAY, NOVEMBER 24, 1853 GODERICH HARBOR.

" WRECKS ON LAKE HURON. correspondent of the Guelph Herald writing from Southampton, (Saugeen), under date of 29th October, says:—"We have had a couple of wrecks on Lake Huron this had a couple of wrecks on Lake Haron this week; one a large vessel, the Philo Shoffield, owned in and bound to Buffalo, with a cargo of wheat, flour, and fish; her complement of wheat was 18,000 bushels, flour 300 barrels, and fish 200 barrels; she went ashore at the Fishing Islands, and is a total wreck. The other wreck occurred at Goderich; the vessel was owned at Kin cardine, was on her way up the lakes with merchandize, &c., for Kincardine, and enleavored to make Goderich harbor during north-west gale, but as it is a very diffi-AN BAY WITH NINTERN MEN ON IT.—Last Monlay night, Mr. Coataworth of this city and 18 of his men had a narrow and almost miraculous escape, from destruction by cult harbor to make at all times, she was dashed against the north pier, and lies there

a total wreck. breaking up of a raft on which they were floating, on the Georgian Bay. The raft, which contained between 5,000 to 3,000 feet of timber, was to have started from the mouth of the Notawasaga bay early in The above, which has been extensively copied by the Provincial Journals, has evidently been put into circulation for the purpose of damaging Goderich harbor in the morning of Monday but the wind was too boisterous to admit of the raft being floated off till about two o'clock, when public estimation, and probably with the view of raising the character of those of other places. We have no objection that are was committed to the angre elements our friends at Southampton or the advocates of the ports and places on the Georgian Bay should take every honorable and negan to fall, and an increased wind added the commotion of the waters. Without compass or lights, and not knowing which fair means of bringing their respective ports into notice, but we decidedly object way they were driven, the perits of their situation may be imagined. Some of the men were sent ashore to make lights which should serve as a guide for them to steer by. But, amid the storm and agrication of to allow the petty jealousies of those parties, by such a contemptible distortion of tors of Huron, Perth and Bruce, from John facts, to stigmatise our harbor with impu- Mahon of McGillivray.
