HEADACHE GLASSES.

The following is a quotation from a late work on the diagnosis and treatment of the diseases of the eye, by Edward Jackson, A.M., M.D.:-

"It ought to be universally recognized that eyestrain is the common cause of headache, and from headache produced from fever toxemia and organic disease of the brain and its membranes, eyestrain is almost invariably a factor in the production of headache. The headache of eyestrain is not of any special character—it may be constant or intermittent, slight or severe, felt only on the use of the eye, or after their use, continuous or recurring irregularly, or at certain intervals. It is aggravated by many other causes, such as hunger, exhaustion, exposure to heat or cold, or indigestion; or it may seem entirely independent of other influences. In the majority of cases eyestrain is not the only factor in the production of headache, but it may be the only factor of practical importance, because it alone can be removed and its removal will give relief. Such headaches are generally felt in the frontal, temporal or occipital regions."

The eyestrain mentioned above is remedied by properly fitted glasses. For over twenty years it has been my work to study the various cases that come to me, and fit those who need them with the proper glasses. All who were fitted were at once relieved of headache. I make no charge for examination. The best and most up-to-date methods are used. We have the only plant in Newfoundland for grinding lenses for special and difficult cases. We carry the largest stock of rimless and other glasses in the country.

Serviceable Black Dress Fabrics.

BUY BLACK ALPACCA for your mourning dress; it is the most serviceable for general wear—its smooth surface does not allow the dust to cling—in fact the wind that blows the dust on takes it off again, owing to its peculiar smooth, glaze surface finish. Alpaca hangs in graceful, round folds and has all the appearance of Glace Silk.

Black Alpaca is the proper and correct mourning, especially this sad season when Empire mourning is demanded. See our stock to-day. Here are the prices to select from: 30c., 35c., 40c., 50c., 65c., 75c., 80c., and \$1.00 yard. Widths run from 38 inches to 44 inches, all best makes and finish. HOW CAN WE COUNTER-ACT THE INCREASED COST OF LIVING?

A second's reasoning will supply the answer. Beef and pork are dear and getting dearer all the time, and the cost is out of proportion with their food-value.

EAT MORE BREAD.

There is more nourishment in a shilling's worth of bread than a shilling's worth of beef or pork. But the problem is not done with yet. The shilling's worth of bread is not always the same value. Breadmade from

ROYAL HOUSEHOLD FLOUR

contains more nourishment than any other, because it contains the greatest amount of gluten, the health-giving nutriment of wheat.
