# of Reciprocity.

It would appear from late newspaper advices that there is war between the paper factories of 'the States and the American Newspaper Publishers' Association. We have previously adverted to Senator Root's stand before the Senate Finance Committee in considering the Canadian Reciprocity Bill. Mr. Norris, representing the Newspaper Publishers, charged the print paper makers with combining to restrain trade in an effort to prevent the secret fixing of prices, Mr. Norris said that he had made offers to buy paper and to pay cash for it, but that only two mills out of 50 in this country had sold to him. The reason for their refusal, he claimed, was that the papermakers did not want a public quotation of their prices, as he would have sold the paper at auction, thus making the
