attacks. The operation required just an hour.

Would Act on Allies' Experience.

"To carry on for the next six months or year with the best that the French and British have evolved as a result of their three years' war experience, and to do our own experimenting entirely on the side," is the gist of the policy which has been largely adopted by the American army now in France and recommended to Washington. This policy applies to material and various instruments of war as well as to tactics and methods of handling men in the trenches.

While many of the more serious

she refers, and her statements are correct.")

Mr. J. E. Jones, 228 University avenue, Kingston, Ont., writes: "I had eczema in my hand for about five years. I tried a great many remedies, but found that while some of them checked it, none cured it permanently. Finally I tried Dr. Chase's Ointment, and in six weeks my hand was completely better. I would not do without a box of Dr. Chase's Ointment in the house if it cost \$2 a box. I am giving my name to this firm so that it will get to those who suffer as I did."

Dr. Chase's Ointment, 60 cents a box, at all dealers or Edmanson, Bates & Co., Limited, Toronto. Substitutes will only disappoint you. Insist on getting what you ask for.
