KEEP YOUR FEET DRY Use DRI-FOOT.

For All Shoes DRI-FOOT Waterproofing

You do not need to wear heavy, uncomfortable rubbers if you treat your shoes with it. Dri-Foot is a liquid composition that waterproofs your shoes and gives them longer wear. It is invisible—does not prevent polishing, costs but a fraction as much as rubbers and one application lasts all season.

Children's shoes as well as yours should be treated with Dri-Foot.

The British Navy Still Rules the Waves,

though, to some folk, an odd skirmish might appear to find it napping. But you never hear of a British warship, no matter how out-gunned, beating a retreat; and at least ninety-five times out of a hundred they beat the enemy.

Our Man's Navy Serge Suit,

Made of British Navy Serge, is a Leader
To-day.

It cannot be beaten. It will only cost you

\$17.00.

We cannot duplicate this price later, as Navy Serges are becoming difficult to obtain and prices are very high. We ourselves even to-day cannot, for \$17.00, buy the Serge in this suit. But our advanced buying is for your protection.

In Men's Suits we have also just received another couple of "Cracker-Jacks" in fine Worsteds at \$20.00 each. These come in Blue and also Brown effects, and will easily pass as \$35.00 tailor-made suits.

GET ONE FOR THE NEW YEAR, BEFORE
THEY ARE GONE.
