STEWART'S Home Made Bread, THE BREAD MY DADDY LIKES.

Daddy is evidently not one of those back number lords of creation who believes that woman's place is in the home-and only there. His taste in a wife is an up-to-date woman who will prove herself a real companion. He knows that if she is a slave to her kitchen she can't enjoy the poise or have the interest in world affairs that a little extra leisure would make possible; and so he is pleased to eat MRS. STEWART'S HOME MADE BREAD—the loaf with the home made

The smiling, well-nourished kiddie doesn't look as lough suffering because mother is progressive enough to buy good bread made by a bread specialist, instead of wearing out her life in the kitchen.
