The high jump competition for the high jump, Jack Cottor (16), cleared 17 feet, Fraser (16) cleared the bar eight inches, an excellent performance. In the junior high jump (15 years), John Sullivan (17 years) jumped four feet 1 1/2 inches, Fraser and Jack Cottor for the gold medal awarded for the high jump at the annual sports which are being held on Wednesday afternoon. The football game played on the campus this evening.

Western Drama

AT HARBOR GRACE IN
OF SPORTING CLUBS.

Wednesday evening, 7th inst., the Drama "The Red Rover" was staged in the Academy by a troupe of local amateurs to a great success. The appearance of most of the persons, but the whole performance was faultlessly rendered. It reflects great credit on the talents of Mr. W. H. Kennedy for his training as well as all the cast. All throughout the play one can see that have had the pleasure of being amidst the surroundings of a military fort in the West. The stage settings and effects used were the work of the artist, Mr. Jas. A. Power, who being exceptionally beautiful mention may be made of the "manner" impersonation of the "Daisy Davis" young forger, played by Miss K. Bowley, as well as Miss Julia Gertrude who appeared in the role of the "Sister," who owns the other answers an advertisement hereby becomes the wife of the "Palander, Briggs" who owns the "Lute" which is an extra role, was taken by Mrs. L. H. Kennedy well played. Mr. H. R. Kennedy, who gets the "Roelette" and meets with success in the end makes up with Clare Brooks, as such a "Brazil" appears to good effect. Geo. Webber ably played the "Pop Bowley," who keeps a "cat gets sent" (the white) by Whiteaway made a successful appearance as Robert Ruthvan—a man from justice, who is finally set up by Tom Scott, the Sheriff. Between the second and third acts, Mr. W. H. Kennedy, who was the "Daisy Davis" and the "Daisy Davis" were present at the performance. The Reverend speaker in his address also gave a word in these towns who had come to see the play. It will be repeated by Bay Roberts on Wednesday night inst. We congratulate Mr. Kennedy and his troupe on the success of Wednesday night's performance.

C. C. Parade.

Members of the C. C. C. Comrades Association attended Mass at the R. C. Cathedral on Wednesday, under command of Major O. B. E. Hester by the 10.35 and proceeded to the parade via Harvey Road, Mass. A sermon was given by Rev. Dr. Carter, after which the parade reassembled and went on to the parade down Milling Street, Duckworth Street, to Waldegrave Street, Theatre and George Hills. A large muster of Old Comrades was highly commended for the thousands who thronged the route.

Our Sixth Week's a Musical Make-Room Sale!

A Paradox Sale!! Where cheap music is really good--and good music is really cheap. Just look at the reductions made below, and see what great savings you can make by buying your Grafonola now. This offer is just in good time for little summer parties in the country houses. There's nothing that gives such pleasure and entertainment in the country as a good portable Grafonola. You can have a round of fun and dancing all the summer long at a very small cost. If there's a picnic nearby just pack your Grafonola and some good "Jazz" records in your car, and take them along. Nothing more fascinating than a moonlight dance out-of-doors.

Three very fine Grafonolas are illustrated below. They are "Columbia's," than which there are none better, and there's a feast of music in each of them.

A SONG!

That is what the average "talking machine" is sold for when auctioned these days. No so the NEW EDISON, as was proved at a recent auction sale in St. John's. If you wish to learn the reason, call at 178 Water Street and hear the difference between a NEW EDISON, the Phonograph with a Soul. It pays to get the Best.

Tarvia Prevents Dust; Tarvia Preserves Roads.

In the United States and Canada Tarvia is the standard by which all other road-binders and preservatives are judged.

Tarvia is made in three grades—
"Tarvia X" for road construction,
"Tarvia B" for preservation of road surface and "Tarvia K-P" for repairing roads. Both "Tarvia B" and "Tarvia K-P" have been used in St. John's Municipal works for several years.

"Tarvia B" actually enters the road surface, acts as a cement and resists the tear and wear of traffic. By cementing together the dust particles "Tarvia B" prevents the formation of dust.

After the application of "Tarvia B" to a road surface a thin layer of sand should be applied to take care of the excess liquid and to prevent tracking. This layer of sand will prevent horses from slipping and Automobiles from skidding and will prolong the life of the road surface. Broken stone is not as satisfactory or as economical as sand for this purpose.

A road after being treated with "Tarvia B" does not become muddy in rainy weather, but sheds the water and dries off quickly after the rain, leaving the road in admirable condition while untreated roads are still deep with mud.

"Tarvia B" surfacing should be applied annually but only when roads are in good condition and free from surplus dust. All holes and depressions should be repaired with the broken stone and "Tarvia K-P."

When "Tarvia B" is applied by mechanical sprinkler, care should be taken to have men with brooms and hand sprinklers go over the ground so that excess "Tarvia B" may be brushed out and not allowed to run waste and so that bare spots be treated and the entire road surface secured.

A loose, "happy-go-lucky" application is sheer waste of time and money. "Whatever is worth doing, is worth doing well."

"Tarvia B" is admirably adapted to the treatment of sidewalks and walks in parks, hospital grounds and cemeteries. Wooden planking of bridges will last longer if treated with "Tarvia B." Fence posts, stiles and houses etc., will be greatly benefited by treatment with "Tarvia B."
