ABSOLUTE ACCURACY

our rule in cutting the cloth which
we use in tailoring a suit or top coat
to measure the man as accurately as
we cut the cloth too. That accounts
for the perfect fit and set of clothing
altered here. We don't fit you in a
few spots but we fit you all over your
skeleton.

The Nfld. Sport Annual

We have received a copy of the Nfld.
Sporting Annual which is replete
with articles, contributed by many
well known local writers. Not a
branch of athletics or sporting pas-
times but have been dealt with, and
the writers comprise both those of
the sterner as well as the gentler
sexes. We bespeak a ready sale for
the magazine and congratulate the
proprietor, Mr. Claude Hall, upon the
success of his venture.

Without Cake in the House

is like having no bread in
the box—either a matter of
carelessness or because
there has not been any
time to do the baking.
"Time to do any baking"
—who needs time?
—all the time that is neces-
sary is enough to run
around the corner and
get some Drake's Cake
—and that will be cheaper
than to spend money for
coal, gas and ingredients

Mothers!
Rub Baby's
Colds Away

New Vaporizing Salve Re-
places Use of Nauseating
Internal Remedies.

Local mothers are finding great
satisfaction in the use of Vicks
Vapo Rub for the cold troubles of
the family. This famous remedy, origi-
nating in the United States, had at-
tained a sale of 17 million jars a year
before it was brought to Canada.
Hitherto, druggists here were unable
to get Vicks Vapo Rub, the entire out-
put of the laboratories being used in
the U.S.A., Mexico and Canada. Now
that the capacity has been increased,
however, ample supplies have been
made available for Newfoundland and
will be assured from now on.

A Two-Fold Treatment

This new way of treating colds is
an external method. You rub the
chest and throat with Vicks Vapo Rub
and cover with a warm flannel. The
medicinal—Camphor, Menthol, Eu-
calyptus, Oil of Thyme, Oil of Tur-
pentine—is absorbed through and
stimulates the skin. At the same
time the body heat releases these in-
gredients in the form of healing,
soothing vapors which are inhaled
with each breath into the congested,
inflamed air passages.

Children do not like to take nasty-
tasting medicines, and too often such
dosing upsets their tender stomachs.
On the other hand, the little ones
really enjoy the pleasing vapors and
stimulating effect of Vicks.

How Vicks Is Used.

For colds, sore throat and bron-
chitis, just rub Vicks over the throat
and chest and cover with a hot flannel,
leaving the clothing or bed-covers
loose around the neck so that the
medicated vapors arising may be
freely inhaled.

For deep chest colds or threatened
pneumonia, hot water towels should
first be applied over the throat and
chest to open the pores of the skin
before using Vicks.

For asthma, catarrh and head colds,
melt a little Vicks in a spoon and in-
hale the vapors. Also apply up the
nostrils and snuff well back.

Croup is usually relieved within 15
minutes. Just rub Vicks over throat
and chest until the breathing becomes
easy, then cover with a warm flannel.
One application at bedtime will pre-
vent most night attacks.

Vicks is just as good, of course, for
cold troubles of adults. Its antiseptic
ingredients also make it a valuable
salve for surface inflammations such
as cuts, burns, bruises, sore muscles,
chapped hands and lips and various
skin troubles.

Sold by all druggists at 50c. per
jar.—Dec15.11

Report of S.P.A.
Inspector

WEEK ENDING 16th DECEMBER.

Attended to the shipping of thirty-
one horses for White Bay, on board
the schooner "Earl Grey" at Frank-
lin's wharf and saw that everything
possible was done for their comfort.
Every suggestion that I made to the
Captain and Mr. Jacks was carried
out to the letter. I also humanely put
to death one horse on White Hills, one
on Waterford Bridge Road, and one
on Clifford Street. They were very old.
Two of the owners are sending a
subscription to the Society, the other
is a member. Put to death four un-
licensed dogs at the request of the
City Council. Attended to the landing
of cattle and sheep from the "Can-
adian Sapper" and two sales of cat-
tle at the Abattoir premises. Was
called late Thursday night to see
about a pony that was left tied to a
fence. The case will come before the
Court. Several complaints have been
received about truck horses standing
outside beer shops after their day's
work from one to two hours. Those
cases in future when found will be
brought before the Court. I am very
glad that some of the firms are en-
deavouring to get their express work
done early so that the horses can be
in the stables by 6.30. Messrs. Ayre
& Sons deserve great credit for this.
I hope they will all fall in line, for on
last Saturday night at 12.30 a horse
and express of a big general store of
Water Street was delivering parcels
on LeMarchant Road. The people had
gone to bed and the man had to come
on Sunday morning to deliver the
parcel, which contained half a dozen
eggs. During the week I gave a demon-
stration of the "Humane Killer" at an
East End butcher's slaughter house.
The butcher was delighted and gave
the method used the highest praise,
and as it is such a time saver he will
have one for his own use.

JONAS BARTER,
Chief Agent.

NOTICE.—There will be a
Meeting of the C. C. C. Ladies'
Auxiliary in the Armoury, Har-
vey Road, on Monday, December
17th, at 8.15 p.m. As business of
importance will be discussed, a
large attendance is requested.
