A TERRIBLE FLOOD OF MOLTEN

LAVA. Some idea of the terrors of a bursting volcano may be gained from the account of the last eruption in Hawaii. The crater of the volcano was filled from 600 to 1,000 feet deep with molten lava, which finally forced its way through a subterranean passage. It was 40 miles from there to the sea, yet this avalance of molten rocks reached the waters in less than two days, destroying everything in its track. It continued flowing for three weeks, heating the sea water twenty

miles out from shore.

A REMARKABLE CASE. Julian Ralph, writing from London, gives some interesting details in regard to a remarkable case of "mistaken identity" that has just surprised the English capital. He says: "A man who was wanted for deserting his wife was approached by a bobby, who showed him a photograph and said 'Is that you?' The man said 'Yes,' and was ar-He protested that he had not deserted his wife, but the woman came forward, and positively identified him. A little later she took another good look at his side face, and said as postively that he was not her husband. Now, it turns out that he and the true culprit are both 37 years old, are both potmen, are both married, and both have three children. Here is a combination of circumstances ustifies the old adage that truth is

The Sting Within. It is said there is a rankling thorn in every heart, and yet that none would exchange their own for that of another. Be that as it may, the sting arising from the heart of a corn is real mough, and in this land of tight boots a very common complaint also. Putnam's Painless Corn Extractor is a ever-failing remedy for this kind of heartache, as you can easily prove if afflicted. Cheap, sure, painless. Try the genuine and use no other.

Miss Jane Adams, the founder of Hull House, Chicago, who has been spending some time studying the East End of London, gives it as her opinion

that London is more wicked than Chi-

ARLINGTONS VS. ORIENTS. Quite a crowd enjoyed the trip to Springbank and a baseball match combined on Saturday. The Arlingtons defeated the Orients in a close although not a gilt-edged game on the waterworks diamond. It was a slugging match all the way through, and it was lucky for the Arlington pitchers that they got such good support, or the score would have been different. The sensational features of the battle were C. Sippi's two home runs, Woonton's homer, and Wilson's long drive for three bases. The score: R.H.E.

CRICKET AT THE ASYLUM. played Saturday afternoon on the Asylum grounds between the Asylum 6 13 27 11 4 and Hobbs Hardware Company cricket clubs. P. E. Bucke, of the ...000202000-4 Asylum, led the batting, carrying his 10 1 1 0 0 0 4 0 0 -6 bat for 32 finely-played runs. Double figures were also made for Asylum by T. Flynn (11), England (10), and Burnand (11); while Tanner, for the H. H. Co., ran up a carefully and neatlyplayed score of 13 before Angus droploose, the Asylum allowing 13 extras to be made and the H. H. Co. 9. For the Asylum, Heighway led the bowling with a total of five wickets, and Smeaton, for the H. H. Co., built up his average with the enviable record of having retired six men out of the eleven.

A pleasant episode of the game was: Batteries—Keener and Grady; Nichols and straight-away boundary hit into the trees, his friends decided to honor him, and to that end hastily secured one of Mr. Rennie's, the gardener, choicest bouquets, and as John, in all his bounding youth and beauty and consciousness of having done his duty, was retiring from the field, Mr. P. E. Bucke presented it to him. The recipient very blushingly and modestly, yet gracefully, acknowledged the gift amid vociferous cheering. The score:

RACING AT SHEEPSHEAD. Sheepshead Bay, June 28.—Racing was continued Saturday under favorable conditions. There was a large attendance, the track was fast, and the programme an excellent one. The first big event was the race for the Zephyr stakes for 2-year-olds, in which there were seven contestants. Arbuckle and Winged Foot, the Mc-Cafferty pair, were coupled in the betting at odds of 8 to 5, while the odds on Scottish Chieftain was 9 to 5. The field got away in good order, with St. Bartholomew in the lead, but when they swung around the Bend Divide was in command. He was challenged by Scottish Chieftain in the stretch, but managed to shake him off, and won in a light drive by two lengths. The next interesting event was the Ceney Lead handi event was the Coney Island handicap for 3-year-olds. Glenmoyne went to the Post as favorite at odds of 9 The winner, however, turned up looking over the week's work of the in Hanwell, a 10 to 1 shot, who jumped away in front, and was never headed, winning handily by a length and a half. A feature of the day's sport was the excellent work of Jockey Sloan, who rode to victory the winners in the first three events: First race, 5 furlongs-Mistral II., 15 to 1, 1; Dr. Jim, 8 to 5, 2; Remp, 4 to 1, 3.
