Rev. D. S. Hamilton, of the First Congregational Church, thought the winter was productive of more tresults.

Intestinal Indigestion.

Cannot be reached by stomach medicines or digestants because the

LIVER AND KIDNEYS ARE DERANGED and the bowels are constipated. MR. BERNHARDT'S case is a good example of what thousands are suffering.

By far the most important part of digestion takes place in the intestines, as has been repeatedly shown in cases where the stomach has been removed and the patient has lived and digested food without the aid of the stomach.

It frequently happens that people who continually dose the stomach for indigestion and use pepsin and various kinds of digestive tablets and powders can obtain no relief from such treatment, because the real trouble is in the intestines, the liver and the kidneys.

There is fullness and pains after meals, coated tongue, headache, loss of appetite, pains in the limbs and in the back and shoulders, flatulency and constipation, frequently alternating with diarrhoea.

There has yet to be a remedy discovered that is so prompt and thorough in curing intestinal indigestion as Dr. Chase's Kid-NEY-LIVER PILLS, and as this is the most common and severe form of indigestion it can well be claimed that DR. CHASE'S KIDNEY-LIVER PILLS are the most successful treatment extant for indigestion and dyspepsia.

Mr. Hubert Bernhardt, George Street, Galt, Ont., states:—"I was troubled for years with kidney and liver derangements and stomach disorders, and suffered a great deal from pains in the back. My digestion was very poor, gas would form on my stomach, and I would often feel great distress after meals. Ordinary medicines did not seem to suit my case at all, but I found that Dr. Chase's Kidney-Liver Pills were both prompt and thorough in their action. They have entirely cured me of my old troubles, my digestion is excellent and I do not know what it is to have a pain in my back now. I can heartily recommend these pills as a splendid medicine for kidney and liver troubles

Dr. Chase's Kidney-Liver Pills

It is not unusual for persons who have long been suffering from chronic indigestion, biliousness and constipation to be thoroughly cured by Dr. Chase's Kidney-Liver PILLS, which have by far the largest sale of any similar remedy. You may be skeptical, as others have been before you, but a single trial of Dr. Chase's Kidney-Liver PILLS will convince you of their unusual medicinal value. One pill a dose, 25 cents a box. BOYS DISCHARGED.

Two young fellows, who had been remanded on a charge of disorderly conduct in breaking the windows of a house tenanted by Robert Leff, were discharged. It was not before some evidence was heard from a chum of the accused boys, a young fellow named Cook. His evidence was contradictory to the complainants', Mr. and Mrs. Leff. The magistrate gave them a note of warning that probably, if followed, will keep them out of trouble. He was of the opinion that the boys were guilty of throwing snowballs and were members of a gang who were hoodlums in their neighborhood. But he was not absolutely convinced and said he would give them the benefit of the doubt. He promised idly eastward.

New Archbishop of Canterbury. London, Feb. 12.-Dr. Randall Davidson was enthroned today as Archbishop of Canterbury (in succession to the late Dr. Frederick Temple), in Canterbury Cathedral, with much stately ceremonial. The cathedral was filled to its capacity with church dignitaries and civil, naval and military officials, in full robes or uni-

SOMETHING THAT SHOULD BE RUBBED IN.—Whenever pain is felt in the limbs or back, take Dr. Thomas' Eclectric Oil; pour a little in the hand, and, applying it to the surface beneath which the pain lies, rub briskly. If the first application does not afford relief, which is not usually the case, keep rubbing. The Oil will gradually penetrate to the affected part and relief will come.
