Outside this shop, the two dogs had a little argument, which ended in a contest on catch-as-catch-corpses, of which number we burned have spoken lately have declared a discolution need not be thought of a dissolution need not be thought of

A later dispatch says: "No reports programme finished, Mr. Long, who till Mr. Balfour has acknowledged his of further encounters have been re-ceived. One of our patrols blew up soon as the fumes reached the nostrils of the combatants, but some of the ammonia got into the eyes of Mr. Paradis' dog, blinding it in one eye, and so injuring the other that the canine is threatened wifth total blindness. Mr. Paradis claims that there was malice behind the ammonia and sues Mr. Petersburg since the announcement that General Grippenberg had been relieved of his command of the second army. The Associated Press is unable to obtain any confirmation of the reports. The war office declares the relieved of his command of the danger signal and warns the country that the return of a Liberal Government involves the supremacy in the House of Commons of the Irish Napeople in Russia. He not only predicted for the working people in Russia ten years ago, but he predicted for them a success in overland.

of General Grippenberg and unconfirmed reports regarding the retirement of General Kuropatkin,

According to the latest information received by the war office, operations on the right flank of the Russian army are at a standstill. The extreme right would likely carry the Government on to next year. This, and an allens bill, would be strong cards for Mr. Balfour, either this year or next year, provided, of course, the fiscal issue them out of slavery, are at last free thought that if Mr. Chamberlain, who are in council with him —Vera Sassulich and Paul Axelrode, notably—will be crowned with greatness by those great heroes who, uplifted by them out of slavery, are at last free from Russian despotic rule.

This movement," said Dr. Paul S. or the right flank of the Russian army are at a standstill. The extreme right of the Russians continues to hold Chacolonial preference, should consent to the Hun River six stands again now it would be an aciff claimed that the druggist had encouraged his dog to fight, It when he saw defeat threatening his champion, poured the ammonia over its opponent. As, in sporting parlance, the dogs were about "even up." he concidered this an unwarrantable performable of the Russians continues to hold Chautandhenau, on the Hun River, six miles northwest of Sandepas. Apparous knowledgment of defeat. This, of knowledgment of defeat. This, of course, Mr. Chamberlain and his friends must not acknowledge, unless their defeat be overwhelming, which as yet it is not. Thus the situation is that he will petition, and we see the 25 degrees of frost, accompanied by their dereat be overwhelming, which as yet it is not. Thus the situation is that he will petition, and we see the withdrawal in order to avoid being intercepted by a Japanese column from bution bill and another year or a Shidkhe or of undertaking a general half of the present Government. If advance. The latter view finds some the fiscal issue is to be put to the confirmation in a dispatch from test of an appeal to the country, then Tsinkhetchen, reporting a reconnais- Mr. Balfour will waive all other consance by Rennenkamp in force on the siderations and join in the fight with an advance.
