The bill will remain a blanket one as far as establishing the principle of universal service is concerned, but it will prescribe that general regulations under which the law may be applied may be issued only with the consent of a spe cial Reichstag committee. Provisions for workmen's committees and courts of arbitration to protect the rights of laborers are also included in the new bill. The changes are considered a long step in the direction of parliament.

# A Message From Lloyd George

The Right Hon. David Lloyd George, speaking on "The Lesson of Sacrifice," said:---

"We have been living in a sheltered valley for generations. We have been too comfortable and too indulgent, many perhaps too selfish. But the stern hand of fate has scourged us to an elevation where we can see the everlasting things that matter for a Nation, the great peaks we had forgotten---of Honour, Duty, Patriotism, and clad in glittering white, the towering pinnacle of Sacrifice, pointing like a rugged finger to Heaven."

Compared to service in the trenches, Service in the Munitions Plant is the lesser sacrifice, but it is hardly less vital to the Empire.
