GUELPH SQUAD REPEATS OVER OWEN SOUND 27-2

Royal City Student Gridlers Will Likely Meet Sarnia in Finals.

Special to The Advertiser.
Guelph, Nov. 9.—After swamping Owen Sound Collegiate, 22-0, on their home grounds Saturday, the Guelph Collegiate interscholastic senior rugby team repeated their performance today, taking the second play-off 21 to 2 and winning the round by 47 points. The victory will likely place Guelph in the finals, with Sarnia as their probable opponents.

The match today attracted a large crowd, despite the counter-attraction in the Thanksgiving day road racing meet, but as Guelph had things practically their own way it was a rather uninteresting argument. At the close of the first half the locals were leading by 11 to 0, while in the second half they broke away worse than ever, and increased their count by fifteen points against two scored by the visitors.

While the whole Guelph team played good rugby, Acheson, Brothman, Hall and A. Davis were outstanding, while Black and Middlebro were Owen Sound's best.

GOALIE OF HIBERNIANS MIGRATES TO ARENSAL

Harper Followers Brother Scots To South—Harris Goes To Notts County.

Associated Press Despatch.
London, Nov. 9.—Rumors at the beginning of the season had Harper, the international goalkeeper of the Edinburgh Hibernians, on the transfer list and these were then denied. That they had some foundation, however, is assured by the fact that today Harper has followed many brother Scots this season and has migrated south. The Hibs' net tender has signed on for Arsenal at a figure which has not been disclosed.

Another transfer has gone through, whereby Newcastle United lose their fine center forward, Neil Harris, who will henceforth play under the colors of Notts County. It is stated that the transfer bounty was a record one.
