FOOT BALL. A WIN FOR THE L. C. I. CLUB.

A TORONTONIAN WHIPPED.

New York, Oct. 31.—"Shorty" Ahearn, a negro boxer from Chicago, made short work of Jack Van Houck, of Toronto, who faced him for a 20-round go at 135 pounds, before the Greater New York A. C., to-night. The Canadian made a very poor showing when he squared off in the first round, and Ahearn took his measure quickly. The colored man went to his opponent in the second round, and with a few well-directed blows sent him reeling to the ropes, and then a hard left on the jaw put the Canadian on his back. Van Houck stayed down six seconds. When he got up again he was very groggy, and another good punch would have finished him, but Referee Brown mercifully ordered the men to their corners and dropped the fight. Ahearn got the verdict.

Great Deliverer Disease and Suffering.

The One and Only Medicine that the Ablest Physicians Recommend and Prescribe.

Paine's Is the Prescription of a Great Physician.

In Life-giving Virtue and Power It Has No Equal.

It should be well understood by the physically broken-down and diseased that no ordinary concoction, sarsaparilla, nervine or purifier can do what Paine's Celery Compound is able to fully accomplish: cure men and women of such serious diseases as kidney troubles, liver complaints, and affections arising from impure blood, or permanently drive out of the system—and this is the point that no sufferer should lose sight of-rheumatism, sciatica and neuralgia. Paine's Celery Compound is a sure and certain cure for the exhausted nervous system; it is the one and

only honest cure for all diseases that indicate vitiated blood. It is Paine's Celery Compound, the great food for shrunken and unstrung nerves, the marvellous system cleanser and digestive regulator, that we so strongly recommend to you, dear reader, if you have lost the strength and vitality of true manhood or wo-manhood. Try its wonderful curative effects if only for a week, and you will surely bless heaven that such a life-giver was placed before suffering

Street Railway employes of London are engaged in a noble struggle to free themselves from the galling tyranny and oppression of a soulless corporation known as the "London Street Railway Co.," by whom the product of their labors is in the main diverted to the use of parasite non-residents who spend it in the luxury of eastern seaboard watering places while the laborers swelter in the heat The London Collegiate Institute foot ball club played an Association game with the Lucan team on the Wellington street grounds Saturday, and defeated the visitors by a score of 3 to 0.

FACTS ABOUT HEALTH

It is Easy to Keep Well If We Know Some of the Conditions Necessary to Perfect Health.

The importance of maintaining good

health is easily understood, and it is really a simple matter if we take a correct view of the conditions required. In perfect health the stomach promptly digests food, and thus prepares nourishment. The blood is employed to carry this nourishment to the organs, nerves, muscles and tissues which need it. The first great essential for good health, therefore, is pure, rich blood. Now it is certainly a fact that no medicine has such a record of cures as Hood's Sarsaparilla. It is literally true that there are hundreds of people alive and well today who would have been in their graves had they not taken Hood's Sarsaparilla. It is depended upon as a family medicine and general regulator of the system by tens of thousands of people. This is because Hood's are its officers and directors:—President Leaves and directors:—President Leaves and directors: President Leave is the secret of its great success. Keep your system in good health by keeping your blood pure with Hood's Sarsaparilla, which absolutely cures when other medicines fail to do any good whatever.

Hood's Pills are the only pills to take with Hood's Sarsaparilla.

THE MARIA TERESA AFLOAT. Washington, Oct. 31.-The Navy Department has received a telegram from Caimenara announcing the sailing of the Maria Teresa, which is up to this time the only one of the Spanish ships sunk in the Santiago fight to be floated. It is probable that with fair weather the Teresa will reach ting her into condition for naval service. The advices so far received at the department indicate that this is going to be an expensive undertaking, practical considerations.

For Nine Years.—Mr. Samuel Bryan, Thedford, writes:—"For nine years I suffered with ulcerated sores on my leg; I expended over 100 to physicians, and tried overy preparation I heard of or saw recommended for such diseases, but could get no relief. I at last was recommended to give Dr. Thomas' Eclectric Oil a trial, which has resulted, after using eight bottles (using it internally and externally), in a complete cure. I believe it is the best medicine in the world, and I write this to let others know what it has done for me."

Dunnville, Ont., gives the following description of her recent experience in the use of Milburn's Heart and Nerve Pills: "I took Milburn's Heart and Nerve Pills for weak nerves, dizziness, palpitation of the heart, smothering spells at night and sleeplessness. Before I used them I could not get restful sleep, and my nerves were often so unstrung that I would start in alarm at the least noise, and easily worried.
"Last February I commenced taking

this valuable medicine, and it proved the right remedy for my weak and shattered nervous system. Milburn's Heart and Nerve Pills restored my nerves to a strong and healthy condition, gave regular and normal action of the heart. "I sleep well now, and am better in every way, and I recommend them heartily to all who suffer as I did."
