FLATLANDS

FLATLANDS, Dec. 20.—The Union Sunday schools are having a concert and Christmas Tree in the Orange Hall, Dec. 25th. The programme will consist of songs, recitations and a dramatic entitled "Adventures in the Wrong House," which is expected to be a treat to all those that attend. Admission will be 25c and 15c. Mr. Gillis has just returned from college to spend his Christmas holidays.

The Canadian farmer has had a great year. Agricultural exports were \$12,000,000 greater in the fiscal year 1909 than in 1908. Here are the figures: Animal products, 1908, \$61,900,000; 1909, \$74,133,017. Total, 1908, \$141,175,206; 1909, \$127,078,226.

Suffered From Her Terrible Pains

From Her Kidneys For Nine Months.

For Backache, Lame or Weak Back—one of the commonest and most distressing symptoms of kidney inaction, there is no remedy equal to Doan's Kidney Pills for taking out the stiches, twinges and aches, relieving the stiff back, and giving perfect comfort.

A medicine that strengthens the kidneys so that they are enabled to extract the poisonous uric acid from the blood and prevent the chief cause of rheumatism.

Mr. Douglas A. McIsaac, Broad Cove Brook, N.S., writes:—"I was troubled with my kidneys for nine months, and suffered with such terrible pains across the small of my back all the time that I could hardly get around. After taking two boxes of Doan's Kidney Pills I began to feel better, and so I continued to take them until I was completely cured."

Price 25 cents per box. For \$1.25, all dealers or direct from a packet of price by The J. C. Williams Co., Limited, Toronto, Ont.

When ordering specify "Doan's."

FOURTEEN BRIDES ARRIVE ON TUNISIAN

MONTREAL, Dec. 20.—Among the Tunisian passengers were fourteen young women who will be Christmas become brides of as many Englishmen who have come to Canada in the past year to make new homes for themselves.

WEAK WOMEN READ BELOW

Talk of bravery, where find a finer spirit than among half-sick women, fighting struggling to do their duty against terrible odds—and they never give up until they drop.

If you could put a drop of blood under the microscope the cause would be revealed.

You would find the blood thin and watery, and cells far too few, the carrier of life very greatly reduced in vitality, and this means slow death. Persons cure weakness by supplying nutriment and building material, by giving the body the constituents it requires for restoring strength.

By using this view and coloration, it is not hard to see all the vital functions—stomach, liver, kidneys, pancreas—give ground step, until all the body wastes.

It is not a matter of life or death, but of health, and the body glow with health.

It is not a matter of life or death, but of health, and the body glow with health.
