INVESTIGATION AT FREDERICTON TUESDAY

Dalhousie Lumber Co. Check Matter Under Review by Commissioner W. B. Chandler

At Fredericton, on Tuesday afternoon, at 2.30 o'clock, Commissioner Chandler opened his inquiry regarding the payment of \$2,903.32 by the Dalhousie Lumber Company as part of their stumpage account under the direction of Chief Superintendent of Sealers W. H. Berry, which sum of \$2,903.32 did not appear in the public accounts of this province.
 Mr. Berry, the first witness, says the check for \$2,903.32 given by the Dalhousie Lumber Company, was made payable to Mr. Brankley to reimburse the Miramichi Lumber Company for a rebate allowed them by the department. The rebate totalled \$5,000, made up to \$2,096.68 and \$2,903.32, the former a previous allowance.
 Mr. John W. Brankley said he was a party to the arrangement for the rebate with Hon. Mr. Flemming and with Mr. Berry, and they had agreed upon the sum of \$5,000. None of the money in the check of \$2,903 was paid to Mr. Berry. The books of the company are kept in New York.
 The evidences of Col. T. G. Loggie, deputy minister of lands and mines, showed that the check never reached the department; that there was a refund of \$2,096.68 for the Miramichi Lumber Co., in the year 1911-12, or an overpayment of the previous year; that he had no personal knowledge of the allowance made by Mr. Berry to the Dalhousie Lumber Co., of \$664 on pine and pulp wood; that he had nothing to do with the arrangements made with the Miramichi Lumber Co., as detailed in the evidence; that Mr. Berry had charge of fixing the stumpage bills and arranging such matters as the Miramichi Lumber Company's transaction, under the direction of the minister of the department.
 In reply to Hon. Mr. Baxter he said that stumpage refunds, such as the \$2,903 allowed the Miramichi Lumber Company in 1912, were not unusual; that the system had extended over a period of years, including the surveyor-generalship of several gentlemen, including Hon. Messrs. Flemming, Tweed, Dunn and Sweeney. He supposed that there were forty or fifty instances of refund, but he would not do it in that way.
 Mr. W. F. Comeau said he was an accountant for the Dalhousie Lumber Company. He identified Brankley's receipt for the \$2,903 and remembered the payment of it.
 At the suggestion of Hon. Mr. Baxter, the commissioner adjourned his court until after the close of the legislature. Mr. Chandler will notify Messrs. Carter and Venet as to the time and place when the inquiry will be resumed.

BUY AT HOME SHOULD ALWAYS RULE

Merchants Themselves do Not Always Patronize Home Industry

The Graphic has always been a very strong exponent of the "Buy at Home" principle. We not only advocate it, but we live up to the rule in every particular, and we expect our merchants and business men to do the same.
 But very often they, thoughtlessly place orders for materials with travelling salesmen which could be supplied at home. We know this is so with orders for printed office supplies. We frequently learn of orders amounting to hundreds of dollars being sent out of town which could be done just as well and at no advance in price by the local printers, and we have very frequently been able to save our customers considerable money in supplying these.
 The rule of sending out of town for printing of any kind should not prevail, especially when your town has an up-to-date printing plant. When you need anything in this line phone your local printer and at least give him a chance to figure on it.
 Dollars spent in this way will find their way back to our own merchants, while those sent to Montreal or Toronto stay there to enrich merchants of those cities.
 The Graphic can supply you with monthly account forms, counter check books, all kinds of loose leaf forms, office stationery, special forms in duplicate or triplicate, in fact anything that is printed upon paper. Let us have your next order and be listed among our satisfied customers. We guarantee to satisfy the most exacting demands.

THE FIREMEN HOLD SUCCESSFUL DANCE

Last Evening in the Masonic Hall Proceeds to go in Aid of the Red Cross Funds

A most enjoyable dance was given last evening in the Masonic Hall, promoted by the members of the Fire Brigade, the proceeds going to benefit the Red Cross Funds. A large number of invitations were issued and a goodly number accepted, thereby swelling the funds for this most worthy object. The committee spared no pains to make the evening a success, and the hall was most tastefully decorated with flags, bunting and colored streamers. The music for the dancing was supplied by the Newcastle orchestra, and the playing was much enjoyed, the orchestra receiving many compliments for their work.
 Mr. Geo. F. Myles acted as secretary and had the assistance of a host of willing workers on the Decorating Committee, and their labors were much appreciated. The chaperons were Mrs. J. W. Morton, Mrs. S. H. Lingley and Mrs. D. A. Stewart.

N. B. PROHIBITION WHILE WAR LASTS

Provincial Government Has Matter Under Consideration.—Result Eagerly Awaited

There is a possibility that the province of New Brunswick may be required to do without intoxicants for the duration of the war.
 In reply to an inquiry by long distance telephone Friday afternoon, Premier Clarke said the provincial government had the matter under consideration, and that a decision on the subject may be announced before long.
 It is understood that the action of the Imperial government in intimating that prohibition may be enforced in the British Isles has had something to do with the discussion of the question by the provincial government, and that their decision may be affected by the final attitude of the British government.
 Between fifteen and twenty years ago a plebiscite on total prohibition was taken throughout the Dominion. At that time New Brunswick went on record in favor of prohibition by a large majority, but no further action was taken.
 The fact that many counties in New Brunswick are already under the Scott Act would simplify the problem before the government, and it is understood that the attitude of St. John in the matter might be one of the largest factors to be taken into consideration.—Moncton Times.

FIGHTING CONTINUES IN THE CARPATHIANS

Cruiser Prinz Eitel Friedrich has Been Interned at Newport. German Victory?

(Special to Graphic)
 London, April 8th.—The Carpathian Mountains and the hilly country between the Rivers Meuse and Meelle in France, continue to be scenes of the most sanguinary engagements, but little or no news is forthcoming of the progress of the battles.
 The commander of the Cruiser Prinz Eitel Friedrich has decided to intern his ship rather than face the British war vessels awaiting him off the Virginia Capes.
 Germans have claimed a victory over the French, but no details have been received as to where the engagement was fought.
 All is quiet from the near eastern theatre of war, but it is presumed that combined sea and land attacks on the Dardanelles will soon be made.
 London, April 8.—Russia has won an important success in the Carpathians. The greatest gain of the Russians is that they have now passed the roughest part of the Mountains.
 Paris, April 8.—General Joffre is preparing for great offensive movements against the Germans.
 Cairo, April 8.—Yesterday a small body of Turkish cavalry was seen by British patrols, a few shots were exchanged and the enemy retired.
 Billy Sunday doesn't see why a man should curse. Evidently Bill never broke a bootleg, missed a golf shot or a train, or let that big trout carry off his fancy tackle.
