Throne and saut: it is the The Interpolation pleasure that this Legislative Assembly be prorogued; and this Legislative Assembly is accordingly prorogued.

Then the band outside played once more, the few interested spectators departed and the Chamber closed for 1889.

RAILRUAD AMALGAMATION.

run from Port Arthur to Gun Flint Lake, and

There is not a little agitation going on among the licensed hotel keepers who have

billiard parlors attached to their houses. Some of these billiard rooms are leased to other

Some of these billiard rooms are leased to other parties by the notel men and some are run by themselves. The License Commissioners propose that after May 1 next no licensed hotel shall have billiard rooms attached. This is what is agitating the hotel men. The License Commissioners pretend to believe that gambling is carried on in billiard rooms attached to hotels and that young boys are runed in them.

THE OLD CHAMBER OLOSED

interests, and the amendments you have made cannot fall to exercise a salurary effect upon the special departments to which they respectively relate.

I have assented with pleasure to the bills you have assented with pleasure to the bills you have submitted to me for the further improvement of our Municipal and Assessment Laws. I thank you for the liberal appropriations which you have made for the public service. The supplies which you have made for the public interest.

And the Assembly was Prospited.

The Provincial Secretary stepped up to the Throne and said: It is His Honor's will and pleasure that this Legislative Assembly is accordingly procound.

much sweetness, while the Prohibition choir under the able leadership of Mr. J. M. Depew sang with their usual excellence. The speaker of the afternoon was Hon. J. Lloyd Thomas of New York, secretary of the Executive Committee of the Prohibition Party of the United States.

Mr. Thomas' address was on man's inhumanity to man, and he showed that while many acknowledge the fatherhood of God, few realize that it also means the brotherhood. led so resign.

The inauguration of the Bismarck-Moltke monument has been fixed for March 31.

Marie Van Zandt is having great success in Italian opera at Kroll's Theatre.

Chronic derangements of the Stomach, Liver and blood are speedily removed by the active principle of the ingredients entering into the composition of Parmelee's Vegetable Pills. These Pills act specifically on the deranged organs, simulating to action the dormant energies of the system, thereby removing disease and renewing life and vitality to the afflicted. In this lies the great secret of the popularity of Parmelee's Vegetable Pills.

CHAT ACROSS THE CABLE. The town of Pinsk, Russia, has been destroyed by fire. Six persons were burned to death. It is reported at The Hague that Minister Heemskerk has been appointed Regent of Holland.

Heemskerk has been appointed regent of Accilent.

Cholera has broken out at Gamboonza, in the Philippine Islands. There have been 500 deaths so far.

England has demanded of Morocco 250,000 indemnity for the massacre and pillage at the Mackenzie factory at Cape Juby in 1888.

The Russian Government has decided to make a further increase in the duties upon German goods coming into the Empire.

It is understood that the order given to the Loewe rifle factory by the German Government amounts to 21,000,000 marks, for which sum the factory is to supply 450,000 repeating rifles of the newest pattern.

Serious floods are prevailing in many parts of Prussian Silesia. The damage thus far is enormous and a large number of families have been rendered homeless.

A neglected cough brings on consumption—the most fatal and prevalent of all physical ills that flesh is heir to. To check the maledy in its early stage, before the deadly tubercles develop themselves in the lung, use Dr. Thomas' Eclectric Oil, which also annihilates bronhitis, asthma, catarrh, piles, kidney troubles and soreness of the muscles and joints.

UNITED STATES NEWS. The Fall River strikers held a large mass meeting Saturday night and voted unanimously to stay out.

Gold to the amount of \$1,425,477 was exported during the past week, and \$196,681 imported.

In the last of the Bald Knobbers' appeal cases, that of Daye Walker, the Supreme Court of Missouri has affirmed the rulings of the lower court and the execution is set for May 10.

Farmer James Thomas was killed near Dayton, O., Saturday while plowing. The plowpoint suruck a root and Thomas was thrown over the handles and turned a somersault, striking on his head breaking his neck.

The fact that many leading physicians recommend Dr. Hodder's Family Medicines sufficient proof of their superiority. Try

ing companies' plant to the great English syndicate was finally consummated at 6 p.m. to-day. The three companies will be consolidated under the name of the "Bartholomay Brewing Company, Limited.". The total amount of capital stock will be £520,000, and there will also be £350,000 in debenture bonds. For a week after the transfer, stock and bonds of the new company to the amount of £250,000 will be placed on sale in this city.

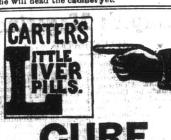

Madre E' Higo Cigars are unquestionably the finest 10c and 15c cigars in the market Try them.

Suspected of Coming Under Contract. New YORK, March 24.—Thirty stoneoutters from Scotland arrived at Castle Garden on the Etruria to-day and were detained on suspicion that they come here under contract. The men admitted they were in the habit of com-ing to this country early in the spring and returning to Scotland in the fall. They are bound for the stone quarries in Maine, Massa-chusetts and Connections. Their cases will be investigated to morrow.

For the cure of colds, coughs and all derangements of the respiratory organs, no other medi-tine is so reliable as Ayer's Cherry Pectoral. It relieves the asthmatic and consumptive, even in advanced stages of disease, and has saved

The Mon. Charles' Burly Form. From The Algoma Gossip.

Our last letter to you had just been mailed Our last letter to you had just been mailed when who should we run against at our room door but the Hon. Charles Drury, Minister of Agriculture. Charles is an old friend of ours, and it was not long hefore we were discussing reminiscences of fifteen years ago, when we stumped West Simcoe together in the Grange interest. Charles was a great granger in those times, and is about the same old thing now. The same old style hat, coat and beots graced his sturdy form, whilst the 'floury' and genial look that we believe was born with him remained unchanged. We consider him to be a man of most extraordinary ability, a thorough politician and somewhat of a philanthropist, and expect he will head the cabinet yet.
