SMALLPOX AT STRATHROY. Fears That the Whole Town Is Infected With the Disease.

With the Disease.

Dr. Bryce, secretary of the Provincial Board of Health, has returned from Strathroy, whither he went to investigate an outbreak of smallpox. The two cases are in a fair way to recovery, but the doctor has the worst fears for the town itself. There is a probability that it is hopelessly infected. Montreal, Que., Nov. 19.—A Star special cable from London says: Sir Charles Tupper, Canadian High Commissioner, who is at present in Scotland, in addressing a meeting a few days ago, said that when the anxiety was occasioned recently by the hurried assembly of the British Cabinet Council in London to consider the alarming condition of affairs in the East, the Canadian Cabinet was also assembled and authorized Chief Justice Sir Samuel Henry Strong, acting Governor-General, to send a cablegram to Lord Ripon, Secretary of State for the Colonies, stating that the Dominion of Canada was prepared to put the Royal Canadian Regiment of Infantry at the service of the British Government and maintain that force in the common interest of the Empire. Rev. Prof. Trotter read a paper on ordination of pastors in Canadian Baptist churches. The Professor thought that the standard of qualification for ministerial office ought to be steadily rising. The standard obtained 30 years ago ought to be too low for to-day, Chancellor Rand thought that some councils of ordination, instead of representing the denomination by the ordination of pastors, misrepresented the body by putting men into the ministry without proper qualifications.
