HOW APPENDICITIS CAN BE PREVENTED

Watford people should know that a
few doses of simple buckthorn bark,
glycerine, etc., as mixed in Adler-i-ka,
often relieve or prevent appendicitis.
This simple mixture removes such sur-
prising foul matter that ONE SPOON-
FUL relieves almost any case of consti-
pation, sour stomach or gas. A short
treatment helps chronic stomach trouble.
Adler-i-ka has easiest and most thorough
action of anything we ever sold. Tay-

early summer as second in command
Major Fane of the 3rd Canadian Mounted
Rifles. Only very recently they
