

WEEKLY MONITOR

TO THE OGLIVIE FLOUR MILLS CO., MONTREAL,

DEAR SIR:— My wife is a great admirer of ROYAL HOUSEHOLD FLOUR...

Sackville, N. B., Dec. 16th, 1904.

COUNTY NEWS.

HAMPTON.

(From an occasional correspondent.) Mr. Rodulf Turle, of Phoenix Cove...

A new post office has been established at Young's Cove, Mr. Allen Stead...

We learn that Mr. Frank Messenger has sold his place to Mr. W. F. MacKenzie...

Mr. James A. Mitchell has quite a music class in this place.

Mr. H. R. Burton left home on the 18th inst., on a business trip to Annapolis...

We learn that Mr. Frank Messenger has sold his place to Mr. W. F. MacKenzie...

Miss Ethel Hall, of Waterville, is visiting relatives and other friends in this place...

The weather still continues boisterous, scarcely a day passed without more or less blustering storms...

The weather still continues boisterous, scarcely a day passed without more or less blustering storms...

Mr. Mary Carter, of Dalhousie Centre, has been visiting friends in this place...

We regret to state that the wife of Councillor J. J. Buckler is in very ill health...

A number of families who have been afflicted from measles are fully recovered, and the children have returned to school...

There have been several social gatherings for the amusement of the young folks, but Wednesday, the 15th inst., dated a gathering for the benefit and pleasure of the old folks at the home of Mr. and Mrs. Alexander Toptin...

At a subsequent meeting of the directors, the following officers were appointed for the ensuing year: President—W. H. Weatherston...

Suitable Reward for an L. C. R. Engineer.

Conductor and Passenger Have a Hard Time of It in a Blizzard.

Albert Dennis, of New Glasgow, has written the Halifax Mail very properly suggesting suitable recognition of the presence of mind of L. C. R. locomotive engineer, Hugh Campbell, of St. John's...

We often write, speak and sing of the men who go down to the sea in ships, but what of the men who go out onto the railways of the province during raging snow storms such as we have had lately...

Last week was particularly trying in that respect. At James Bay, the Sydney Flyer became stalled during the storm that was raging...

Conductor W. J. Ross, who was in charge of the train, was in a very exciting experience. He walked to the railway station, some distance from where the train was stalled...

Priest Weds a Society Girl. Father Alexander O'Hanley, of Nova Scotia, wins a Fair Bride in Hamilton.

A sensation was caused in Hamilton by the marriage of Miss May A. Finlayson, of Ontario, on January 17th...

Her husband is a scholarly young man, is a native of Nova Scotia, and came here from Antigonish in October, 1903...

Yes, Quality is Important. It's very important in a sewing machine—quality means good work—the kind you take pride in showing to your neighbor. Quality stands for more than beautiful work-work and an attractive outside appearance. QUALITY GOES BELOW THE SURFACE and is just as apparent in the least as in the greatest part. The White has built up a reputation for quality work that is world wide. No trouble at all to show what it can do.

JAS. A. GATES & CO., General Agents. Telephone No. 25. Middleton, N. S.
