

# KEEP YOUR WALLET CLOSED UNTIL YOU KNOW

## DON'T SEND A CENT

just ask us to send it. Don't send any money for it—not a penny. Send for it to-day, then watch its action for thirty days. Be prompt in sending for it, in trying it—be slow in judging it, in paying for it. Wait until you know, until you see, until you are sure. We give you thirty days to try it, to use it, to test it, to make sure, to see for yourself that it is just the thing for you, the greatest remedy ever offered to the sick and suffering.

## DON'T PAY ONE PENNY

until you are sure—keep your wallet closed until you know. If you are not sure, you do not pay at any time—not a cent, for there is nothing to pay for. You pay for the benefit—not the medicine. You pay for results—not for the treatment. If it does not help you, the matter is ended. You have nothing to return—you use all we send you. Your final judgment, Yes or No, closes the deal. We take all the risk, you have nothing to lose, not a penny.

## IF YOU ARE SICK

If there is something wrong in the workings of your system, something wrong with your sleep, your digestion, your blood, your nerves and your vitality, you cannot afford to suffer another day when the thing to set you right is offered you without a penny's risk, when it takes but a letter to start you on the treatment which has astounded all America by the work it has done for thousands. You cannot lose a penny—you win back health or pay nothing. Read our trial offer and judge for yourself. Then send to-day for that which thousands have used and are using with the success denied in other treatments.

## Rheumatism and Kidney Trouble

Also indigestion and Nervousness Completely Cured.

CENTRALIA, ONTARIO.—I was a great sufferer from Rheumatism, Kidney Trouble, Indigestion and Nervousness. I doctored with three different doctors, but could get no relief, and one of them told me that medicine was of no use, and stated that my mind was affected from my different ailments. I was advised by a neighbor who had answered the Vitæ-Ore advertisement and was using Vitæ-Ore, to give this medicine a trial. I sent for a package, and used it, and then sent for another, and before I had finished the second package I was completely cured, and can now eat and sleep as good as I did 10 years ago. I thank God for what Vitæ-Ore has done for me, and I believe it will prove a blessing for every ailing person who tries it.

F. C. FAIRHALL.

## From the Earth's Veins to Your Veins

Vitæ-Ore is an ore-substance, a combination of minerals mined from the ground, from the Earth's veins. It contains iron, sulphur and magnesium, three properties most essential for the retention of health in the human system, and one package of the ORE, mixed with a quart of water, equals in medicinal strength and curative value hundreds of gallons of the powerful mineral waters of the globe, drunk fresh at the springs; The mineral properties which give to the waters of the world's noted healing springs their curative virtue, come from the rock or MINERAL ORE through which water forces its way to its outlet, only a very small proportion of the medicinal power in the ORE being absorbed by the liquid. Vitæ-Ore is a combination of these medicinally bearing minerals, powdered and pulverized, requiring only the addition of water to make a most remarkable healing and curing draught. Thousands have pronounced it the marvel of the century for curing such diseases as Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Anæmia, Dropsy, Catarrh of any Part, Liver, Kidney and Bladder Troubles, Stomach and Female Disorders, Nervous Prostration, General Debility.

OLD CHRONIC CASES are those it seeks especially. It matters not what you think, what you have thought, what the doctors think or what they would make you think. It counts not a whit what desperate efforts you have already made, what disappointing failures you have already been through. Try it! A trial will tell its own plain story, a story that will mean comfort, health and happiness for you.

## Trial Package Entirely Cured

Liver, Kidney and Bladder Disorders which Previously Defied all Treatment.

I cannot express my gratitude for the great and lasting good that Vitæ-Ore has done for me. I had been taking medicine ever since October, 1902, when I was first stricken down with my disease, a complication of Liver, Kidney and Bladder disorders. I took several different kinds of patent medicines, but none of them did me any good. My husband then called a doctor. He came a few times and then dismissed the case. He then called in two more doctors, the best this country affords, and one of them treated me for two or three months, but he only gave me temporary relief. I dragged along all last year, never feeling like myself. In the Fall I grew worse, and again went to my physician and he treated me about eight weeks. I was almost ready to give up. I did not know how near death's door I was until a neighbor told me after I began to get better. Some one of our neighbors advised us to send for some Vitæ-Ore on trial, but I told my husband not to bother with it, as I thought nothing could help me. He sent for the treatment without my consent, and I now consider it the greatest favor he ever did for me. One month's trial package has saved my life. I think I can safely say that I would have been in my grave to-day had it not been for this Vitæ-Ore. I have not taken one trial package, but I feel that I am entirely well. When I commenced its use I weighed ninety-eight pounds, but now, in only five weeks' time, I weigh 110 pounds. I would not be without Vitæ-Ore. I would not give this medicine for all the medicine in the world, and I am not ashamed to let the world know what I have to say about Vitæ-Ore. I am willing to do all I can to help its cause.

Mrs. J. F. MORRIS, Stevens, Tex.

VITÆ-ORE WILL HELP YOU as it has helped thousands, if you will give it a trial. Send for a \$1.00 package at our risk. You are to be the judge! What sensible person, who desires a cure and is willing to pay for it, would hesitate to try Vitæ-Ore on this liberal offer! One package is usually sufficient to cure ordinary cases, two or three for chronic obstinate cases. Write to-day for a package at our risk, giving your age and ailments, and mention this paper.

# A TRIAL OF VITÆ-ORE Will tell to you its own plain story, a story that has meant comfort, peace and happiness for thousands.

READ THE TESTIMONY. Read it again and again. No stronger words have ever been written about any other medicine; no better expressions are truthfully commanded by any other treatment. Vitæ-Ore is as different from other remedies as is pure milk from chalk and water, or the sunlight from a tallow candle. It does not take FAITH, does not take CONFIDENCE, does not take BELIEF, does not take even HOPE to cure with Vitæ-Ore. It takes only a trial—all we ask. THIS MEDICINE ENTERS THE VEINS OF THE SICK AND SUFFERING PERSON AND CURES whether the sufferer believes in it or not, whether he wants it or no. Its substances enter the blood, the vital organs, and WORK—WORK—WORK—a work that cures.
