

It Means a Good Deal to Most Men

to know where to get a first-class article at a reasonable figure. It means a good deal to most bee-keepers to know where to get well-made Bee-keepers' Supplies. A few are looking for something not the cheapest, but what can be bought for the least number of dollars and cents. These few we are not trying to satisfy, but leave them to learn by bitter experience. Every good bee-keeper knows the value of well-designed, accurately-made Bee-keepers' Supplies. This is what we are aiming to give our customers. Our NEW PROCESS Comb Foundation has created a revolution in the manufacture of that article, and many have ordered from us who before purchased from a local dealer. Others have sent their wax to be made up, but we have a capacity of about 900 lbs. of foundation a day, and would like your custom for these and other goods. Samples of New Process Comb Foundation and Sections free on application. Your patronage and that of your friends solicited. Address
