

The Mutual Life of New York

—R. A. McCURDY, President—

In September, 1848, Wilmot Johnson, of Catonsville, Md., insured his life in the Mutual Life Insurance Company of New York for \$10,000, and now after a period of over fifty years the policy becomes a claim through the death of the insured.

After affording the insured an insurance protection for over fifty years The Mutual Life

1st—Paid face of policy.....	\$10,000 00
2nd—Returned all premiums paid.....	8,676 10
3rd—Besides an excess in dividends of..	6,228 90

Amount of claim paid. \$24,905 00

It will also be seen that for every dollar paid to the Company by the insured the Company returned \$2.87.
