RED ANTS.—Brimstone scattered over shelves, or around their haunts, will drive away red ants.

Mr. JAMES J. ANSLOW, Newcastle, N.B., writes: "Mrs. Anslow was troubled with Lung Disease, and until she took Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda had little or no appetite; but after taking a bottle or two she gained appetite and had a relish for her food, which was quite a help to her in keeping up against the disease.

A DAINTY BREAKFAST DISH.—To cold corned or roast beef, minced and freed from gristle and strings, add an equal quantity of mashed or sliced boiled potato. Mix well together, and season with pepper and salt.

Be careful that the hash is not too stiff. Add more boiling water should the meat and potato absorb the liquid too rapidly, and do not let the hash stick to the bottom of the pan.

C. C. JACOBS, Buffalo, N. Y., says:—"Dr. Thomas' Electric Oil cured him of a bad case of piles of eight years' standing, having tried almost every known remedy, 'besides two Buffalo Physicians' without relief; but the Oil cured him; he thinks it cannot be recommended too highly."

FACES as yellow as that of the "Heathen Chinee," in consequence of bile in the blood, grow fair and wholesome-looking again when Northrop & Lyman's Vegetable Discovery and great blood purifier is used to relax constipated bowels and expel the bilious poison from the circulation.

In Murray & Lanman's Florida Water the most debilitated and nervous find relief. Used freely in the water of the bath, its effect is almost marvellous, so strengthening and bracing, and withal so exquisitely agreeable.

Mrs. D. MORRISON, Farnam Centre, P. O., writing about Dr. Thomas' Electric Oil, says:—"George Bell used it on his son, and it cured him of rheumatism with only a few applications. The balance of the bottle was used by an old gentleman for Asthma, with the best results. It acts like a charm."

A LADY writes: "I was enabled to remove the corns, root and branch, by the use of Holloway's Corn Cure."

Advertising Cheats!!!

"It has become so common to write the beginning of an article, in an elegant, interesting manner, 'Then run it into some advertisement that we avoid all such, 'And simply call attention to the merits of Hop Bitters in as plain, honest terms as possible, 'To induce people 'To give them one trial, which so proves their value that they will never use anything else."

"THE REMEDY so favorably noticed in all the papers, 'Religious and secular, is 'Having a large sale, and is supplanting all other medicines. 'There is no denying the virtues of the Hop plant, and the proprietors of Hop Bitters have shown great shrewdness 'And ability 'In compounding a medicine whose virtues are so palpable to every one's observation."

Did She Die? "No! 'She lingered and suffered along, pining away all the time for years. 'The doctors doing her no good; 'And at last was cured by this Hop Bitters the papers say so much about. 'Indeed! Indeed! 'How thankful we should be for that medicine."

A Daughter's Misery. "Eleven years our daughter suffered on a bed of misery, 'From a complication of kidney, liver, rheumatic trouble and Nervous debility, 'Under the care of the best physicians, 'Who gave her disease various names, 'But no relief, 'And now she is restored to us in good health by as simple a remedy as Hop Bitters, that we had shunned for years before using it.'—THE PARENTS.

Father is Getting Well. "My daughters says: 'How much better father is since he used Hop Bitters. 'He is getting well after his long suffering from a disease declared incurable. 'And we are so glad, that he used your Bitters." A LADY, of Utica, N. Y.

GREAT NEGLIGENCE.—There is great neglect with most people in maintaining a regular action of the bowels, which causes much disease. Burdock Blood Bitters cure constipation.

DELICIOUS RHUBARB JAM.—To six pounds of rhubarb add six pounds of lump sugar and six large lemons; cut the rhubarb into small pieces about the size of a walnut; then the lemons should be sliced and the peel cut very fine. Put the fruit (taking out the pits from the lemon) all into a large bowl, then cover it with the sugar broken small; let it stand twenty-four hours, after which boil it slowly for about three-quarters of an hour, taking care it does not stick to the pan, also not to stir much so as to break the pieces of rhubarb, as the beauty of it is in being whole.

UNKNOWN TO SCIENCE.—That preparation is undiscovered which can surpass Dr. Fowler's Extract of Wild Strawberry as a cure for Cholera Morbus, Dysentery and Summer Complaint.

OLD-FASHIONED HONEY CAKES.—One pound of honey, one pound of flour, quarter pound of butter, quarter pound of almonds pounded coarsely, one drachm of pounded cloves, the grated peel of a lemon, and half ounce of carbonate of soda dissolved in water. Let the honey and butter come to a boil over the fire, take this off, and in a few minutes stir in the flower and spice by degrees, then the almonds and lastly the soda. Let the mass stand all night in a cool place. In the morning roll it half an inch thick, cut it into little square cakes, put half an almond in each corner and a slice of peel in the middle. Bake them in a moderate oven a pale brown.
