## WHAT IS CATARRH?

Catarrh is a mucopurulent discharge caused by the presence and development of the vegetable parasite ameba in the internal lining membrane of the nose. This parasite is only developed under favourable circumstances, and these are—Morbid state of the blood as the blighted corpuscle of tubercle, the germ poison of syphilis, mercury, toxomaca, from the retention of the waste matter of the skin, suppressed perspiration, badly ventilated sleeping apartments, and other poisons that are germinated in the blood. These poisons keep the internal lining membrane of the nose in a constant state of irritation, especially for the deposit of the seeds of these germs, which spread up the nostrils and down the fauces, or back of the throat, causing ulceration of the throat; up the eustachian tubes; causing deafness; burrowing in the vocal cords, causing hoarseness; usurping the proper structure of the bronchial tubes, ending in pulmonary consumption and death. Many attempts have been made to discover a cure for this distressing disease by the use of inhalants and other ingenious devices, but none of these treatments can do a particle of good until the parasites are either destroyed or removed from the mucous tissue. Some time since a well-known physician of forty years' standing, after much experimenting, succeeded in discovering the necessary combination of ingredients which never fail in absolutely and permanently eradicating this horrible disease, whether standing for one year or forty years. Those who may be suffering from the above disease, should, without delay, communicate with the business managers—**Toronto Mail, Messrs. A. H. DIXON & SON** 305 King St. West, Toronto, Canada. ## Scientific and Useful.

An abundance of fresh vegetables and small fruits will lessen the expense account for physicians' services.

A LITTLE powdered resin sprinkled on a cut will prevent inflammation; put a soft cloth around the finger and wet it with water frequently.

TO MAKE GOOD APPLE SAUCE.—Stew in a new porcelain or tin vessel; when tender, sweeten; stew a few minutes longer, keeping the vessel closely covered.

TO THE RESCUE.—"When all other remedies fail" for Bowel Complaint, Colic, Cramps, Dysentery, etc., "then Dr. Fowler's Extract of Wild Strawberry comes to the rescue." Thus writes W. H. Cocker, druggist, Waterdown, and adds that "its sales are large and increasing."

WEAR AND TEAR.—In putting away newly ironed and folded clothes, lift up the piles of shirts, sheets, pillow-cases, etc., and place the fresh ones underneath, to make the "wear and tear" come on them all more evenly.

FRUIT SNAPS.—One and a half cups of sugar, one cupful of butter, one-half cupful of molasses, three eggs, one teaspoonful of soda, one cupful of raisins, two cupfuls of currants, one tablespoonful of ginger, one tablespoonful of cloves, one tablespoonful of cinnamon and one tablespoonful of allspice; mix soft as can be rolled. These will keep several months.

TO PREVENT CANNED FRUIT MOULDING.—A correspondent of the *Indiana Farmer* gives the following recipe, which she has tried with success for several years: In canning fruit, after filling the jar, she takes a spoon that reaches the bottom, and stirs until all the air bubbles rise to the top and burst. Especially those who can tomatoes are advised to remember this.

FOR LIVER COMPLAINT.—Take a teaspoonful of Perry Davis' Pain-Expeller in sugar and water three times a day, between the side and between the shoulders with the medicine at least twice a day, rubbing it in well.

RAISIN CAKE.—Boil one cupful of raisins in a pint of boiling water one hour; cool and roll in flour; rub one cupful of butter and one cupful of sugar to a cream; add (one at a time) four eggs, beating each well; add one small cup of milk, one nutmeg and three cups of flour, in which two teaspoonfuls of baking powder are mixed. Bake one hour, or until done.

TO MAKE A DELICIOUS PLUM CAKE.—Take half a pound of butter, and half a pound of white sifted sugar; beat these with the hand well together to a cream, add four eggs, one at a time, and well beat each one with the butter and sugar; lightly mix in one pound of flour, previously mixed with one teaspoonful of baking powder, then lightly mix with the whole half a pound of sultanas; bake at once.

RAISED CAKE.—Take four potatoes; wash and pare and boil them and mash fine; put a quart of boiling water on them; stir it together and put into the flour boiling hot; let it stand and cool, and then put in yeast; let it rise, put in dry flour and stir it down; let it rise again; work it up and mould, take one-half and make bread; roll in nutmeg and sugar and raisins. This is a good cake for tea. Roll in butter or lard for shortening.

It is a little trouble to examine the pamphlet wrapped around each bottle of the true Murray & Lanman's Florida Water, so as to find the words "Lanman & Kemp, New York," which are water-marked or stamped in pale letters on every page, but it is better to take this small amount of bother rather than to be imposed upon by a worthless counterfeit. Every leaf of the pamphlet around the genuine has these words in it, which though pale and faint, can be easily seen when held up to the light, and no Florida Water is genuine that does not have this test mark.

STUFFED TOMATOES.—Select six medium-sized tomatoes. Cut a slice from the stem end of each and scoop out the soft pulp. Mince one small onion and fry it slightly, add a gill of hot water, the tomato pulp and two ounces of cold veal or chicken chopped fine, simmer and season with salt and pepper. Stir into the pan cracker dust enough to absorb the moisture; stuff the tomatoes with this mass, sprinkle dry crumbs over the top; add a small piece of butter and bake until slightly browned on top.

**Scott's Emulsion of Pure COD LIVER OIL, WITH HYPOPHOSPHITES.**  
Very Palatable and Increases Flesh.

Dr. F. H. CLEMMY, Brighton, Ill., says: "Scott's Emulsion is the best I have ever prescribed. It is very palatable, easily assimilated, and gives strength and flesh to the patient."

## Hardened Liver.

Five years ago I broke down with kidney and liver complaint and rheumatism. Since then I have been unable to be about at all. My liver became hard like wood; my limbs were puffed up and filled with water.

All the best physicians agreed that nothing could cure me. I resolved to try Hop Bitters; I have used seven bottles; the hardness has all gone from my liver, the swelling from my limbs, and it has worked a miracle in my case; otherwise I would have been now in my grave.

J. W. MAYER. Buffalo, Oct. 1, 1881.

## Poverty and Suffering.

"I was dragged down with debt, poverty and suffering for years, caused by a sick family and large bills for doctoring.

I was completely discouraged, until one year ago, by the advice of my pastor, I commenced using Hop Bitters, and in one month we were all well, and none of us have seen a sick day since, and I want to say to all poor men, you can keep your families well a year with Hop Bitters for less than one doctor's visit will cost. I know it."
